

## SCHEDULE 4

### Transitional Provisions

## PART 3

### Used cooking oil in animal feed<sup>(1)</sup>

#### **Operators' own checks**

**13.**—(1) The operator of approved blending premises shall carry out checks and take samples for the purposes of checking compliance with the standards in paragraph 16.

(2) Where the results of a check or a test show that the used cooking oil does not comply with the provisions of this Part, the operator shall—

- (a) establish the causes of failures of compliance;
- (b) ensure that the oil is not despatched for use in feedingstuffs;
- (c) instigate appropriate decontamination and cleaning procedures; and
- (d) where used cooking oil has already been despatched for use in feedingstuffs, or incorporated into feedingstuffs, take all necessary measures to ensure that feedingstuffs containing the oil are not fed to livestock.
