

## SCHEDULE 1

### MEASURES WHICH APPLY IN PROTECTION AND SURVEILLANCE ZONES

#### PART I

##### Measures which apply in a protection zone

###### **Movement Restrictions**

6. Where an infected area has been established following confirmation of the disease upon a holding, no person shall move any pig off that holding for at least 30 days after the completion of the preliminary cleansing and disinfection of that holding. Thereafter no person shall so move any pig unless licensed to do so by a veterinary inspector or an inspector acting under the direction of a veterinary inspector.
