EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (Service Committees and Tribunal) (Scotland) Regulations 1992 (“the principal Regulations”) which make provision as to the investigation of matters relating to services provided by doctors, dentists, pharmacists, ophthalmic medical practitioners and opticians under arrangements with Health Boards.

Regulation 2(1) amends the definition of “optician” in regulation 1 of the principal Regulations (citation, commencement and interpretation) to mean an ophthalmic optician, as defined in section 108 of the National Health Service (Scotland) Act 1978 (“the Act”).

Regulation 2(2) amends regulation 3(4) of the principal Regulations (provisions relating to the start of disciplinary proceedings), which makes provision about the manner in which an allegation ceases to be the subject of a complaint being investigated. Regulation 2(2) replaces regulation 3(4)(a) and provides that an allegation remains the subject of a complaint being investigated until the conclusion of the conciliation process. Arrangements for the conciliation process are provided by the Directions to Health Boards and the Agency on Complaints Procedure, made on 31 March 2005, given under section 2(5) of the Act.
