## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order, which extends to Scotland only, amends the Diseases of Animals (Approved Disinfectants) Order 1978 by substituting Schedule 1 to that Order (article 2). Schedule 1 provides an updated list of disinfectants approved by the Scottish Ministers. Schedule 1 is in identical terms to that substituted by the Diseases of Animals (Approved Disinfectants) Amendment (Scotland) Order 2004 except for corrections to the dilution rates for Action Iodophor Disinfectant, Biocid 15, Credence 200 and Fam 15. This Order is being issued free of charge to those persons who purchased the 2004 Order.
