**The Private Water Supplies (Scotland) Regulations 2006**

**PART VII**

**TYPE A SUPPLIES: MONITORING**

**Audit monitoring - interpretation**

**20.**—(1) In this Part, “audit monitoring” means monitoring a Type A supply for the purpose of obtaining representative information at regular intervals from which it may be established—

- (a) as regards the parameters listed in Tables A and B in Schedule 1, whether water supplied for human consumption purposes satisfies the provisions of Part IV or, if a departure has been authorised under Part V in relation to that supply, those provisions as read with the terms of that departure; and
- (b) as regards indicator parameters listed in Table C in Schedule 1, whether water supplied for human consumption purposes meets the specification for those parameters.
