The Joint Inspections (Scotland) Regulations 2006

Power of entry

5.—(1) If an authorised person considers it necessary or expedient for the purposes of a joint inspection, that person may at any reasonable time enter and inspect any premises owned or controlled by a person providing children's services.

(2) A person who proposes to exercise any power of entry or inspection conferred by this regulation must if so requested produce some duly authenticated document showing the authority to exercise the power.
