**The Avian Influenza (Slaughter and
Vaccination) (Scotland) Regulations 2006**

Vaccination

General powers of inspectors to take action to prevent the spread of avian influenza

27.—(1) This regulation applies to every vaccination zone and every premises stipulated in a vaccination notice.

(2) A veterinary inspector or an inspector acting under a veterinary inspector's direction may, if the inspector considers it necessary to prevent the risk of the spread of avian influenza, require—

- (a) the detention and isolation of any vehicle, equipment or other thing and its subsequent cleansing and disinfection by serving a notice requiring such action on the occupier of the premises where it is present, or on the person in charge of it;
- (b) the cleansing and disinfection of any premises or part of any premises by serving a notice requiring it on the occupier of those premises;
- (c) the detention or isolation in a specified place of any animal, poultry or other captive bird by serving a notice on the occupier of the premises where it is present, or on its keeper;
- (d) the separation of any animal, poultry or other captive bird from other animals, poultry or other captive birds by serving a notice requiring it on the occupier of the premises where it is present, or on its keeper.

(3) A notice under this regulation may contain such directions and conditions as the person serving it considers necessary to prevent the risk of the spread of avian influenza.
