The Tuberculosis (Scotland) Order 2007

PART 3

Testing of bovine animals

**Restriction on movement after application of test**

**11.** Where a diagnostic test for tuberculosis has been applied to a bovine animal by a veterinary inspector, no person shall move that animal from the premises on which it is kept unless—

- (a) the movement is under the authority of a licence issued by a veterinary inspector; or
- (b) the results of the diagnostic test for tuberculosis have been read by a veterinary inspector who is satisfied that the result is negative.
