2007 No. 147

The Tuberculosis (Scotland) Order 2007

PART 1

Introductory provisions

Extension of definition of “disease” and power to slaughter on account of tuberculosis

3. For the purposes of the Act, the definition of “disease” in section 88(1) of the Act is hereby extended to include tuberculosis and section 32 of the Act (power to slaughter animals) shall apply to that disease.
