

## **EXECUTIVE NOTE**

### **The Civil Legal Aid (Financial Conditions) (Scotland) Regulations 2008 SSI/2008/138**

These Regulations are made in exercise of the powers conferred on Scottish Ministers by section 36(2)(b) of the Legal Aid (Scotland) Act 1986<sup>(1)</sup> and of all other powers enabling them to do so. The instrument is subject to affirmative resolution procedure.

#### **Policy Objective**

The policy objective is to maintain financial eligibility for civil legal aid in real terms. This is to be achieved by increasing, broadly in line with inflation, the disposable capital and annual disposable income limits above which a person may not be not eligible for civil legal aid, and the disposable capital and annual disposable income limits above which a person may be required to make a contribution towards the costs of legal aid.

#### **Consultation**

This increase takes place annually and is designed to maintain the existing financial eligibility thresholds in real terms. Formal consultation is not normally carried out.

#### **Financial Implications**

Because the regulations seek to maintain rather than to change the financial eligibility limits for advice and assistance they are not expected to have an impact on expenditure.
