
SCOTTISH STATUTORY INSTRUMENTS

2008 No. 303

The Adoptions with a Foreign Element (Special Restrictions on Adoptions from Abroad) (Scotland) Regulations 2008

Further requests

5.—(1) This regulation applies where the Scottish Ministers have made a determination in accordance with regulation 4 and the prospective adopters submit a further request.

(2) The Scottish Ministers must consider that further request if they consider that it contains—

- (a) new information; or
- (b) information that might have led to them being satisfied that the case was exceptional if it had been available at the time they made the determination.
