The Renewables Obligation (Scotland) Order 2009

PART 9

Provision of information, functions of the Authority and modification of this Order in relation to microgenerators in certain circumstances

Exchange of information with the Northern Ireland authority

56.—(1) The Authority must, as soon as reasonably practicable after the specified day following an obligation period, notify the Northern Ireland authority of—

- (a) the details of each Northern Ireland certificate produced to the Authority by a designated electricity supplier in discharge of that supplier's renewables obligation for that period and the name of the designated electricity supplier in question; and
- (b) the total number of Northern Ireland certificates produced to the Authority in respect of that obligation period.

(2) The Authority must, as soon as reasonably practicable after receiving a notification from the Northern Ireland authority as to the SROC identifiers of SROCs produced to the Northern Ireland authority by Northern Ireland suppliers under any NIRO Order, inform the Northern Ireland authority of—

- (a) the SROC identifier of any SROC so notified which the Authority has revoked under article 41 and whether it has issued a replacement SROC in respect of any such SROC (unless that replacement SROC has itself been revoked);
- (b) the SROC identifier of any SROC so notified that has been produced to the Authority by a designated electricity supplier under article 5(2) and the date on which it was produced.

(3) The Authority must, as soon as reasonably practicable after the specified day following an obligation period, notify the Northern Ireland authority of the number of renewables obligation certificates produced to the Authority in respect of that period.

Changes to legislation:

There are currently no known outstanding effects for the The Renewables Obligation (Scotland) Order 2009, Section 56.
