- (c) the Accountant in Bankruptcy shall have the same powers and duties in relation to the estate of a SCIO as the Accountant in Bankruptcy has in relation to the sequestration of the estate of a body corporate following a debtor application.

(7) On completion of the sequestration of the estate of a SCIO in terms of this regulation, the Accountant in Bankruptcy shall transfer any surplus assets that emerge to the named body (or bodies) specified in the resolution of the SCIO referred to in regulation 5(1).
