EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Community Care (Joint Working etc.) (Scotland) Regulations 2002 (“the principal Regulations”), which make provision in relation to various forms of joint working under the Community Care and Health (Scotland) Act 2002 (“the 2002 Act”) between local authorities and NHS bodies.

The Regulations amend Schedule 1 to the principal Regulations to insert certain new functions conferred on local authorities by the Social Care (Self-directed Support) (Scotland) Act 2013 (“the 2013 Act”) into the list of functions in respect of which an NHS body can make payments under section 13 of the 2002 Act.

The Regulations also amend Schedule 5 to the principal Regulations in order to add the new functions conferred by the 2013 Act to the list of functions which a local authority may delegate to an NHS body by arrangements made under section 15(1) of the 2002 Act.

No Business and Regulatory Impact Assessment has been prepared in respect of these Regulations as no direct impact on businesses, charities or the voluntary sector is foreseen.
