
SCOTTISH STATUTORY INSTRUMENTS

2015 No. 103

**The Alien and Locally Absent Species in
Aquaculture (Scotland) Regulations 2015**

PART 4

MONITORING AND RISK ASSESSMENT

Environmental risk assessment

17. An environmental risk assessment carried out under Article 9(1) of Council Regulation 708/2007 is to be produced at the applicant's own expense.

Commencement Information

11 [Reg. 17](#) in force at 3.4.2015, see [reg. 1\(1\)](#)

Contingency plan

18.—(1) A contingency plan drawn up under Article 17 of Council Regulation 708/2007 is to be produced at the applicant's own expense and must be approved by the competent authority.

(2) The applicant must implement the contingency plan on the occurrence of an event specified in that plan, as required by Article 17 of Council Regulation 708/2007.

Commencement Information

12 [Reg. 18](#) in force at 3.4.2015, see [reg. 1\(1\)](#)

Monitoring

19.—(1) This regulation applies where monitoring is required under Article 18 or 22 of Council Regulation 708/2007.

(2) The applicant must submit to the competent authority for written approval a programme detailing how the monitoring will be carried out.

(3) The approved monitoring programme must be carried out, at the applicant's own expense—

(a) by the applicant; or

(b) where the competent authority determines that the applicant does not have the expertise, by a person nominated by the applicant and approved by the competent authority in writing.

Changes to legislation: There are currently no known outstanding effects for the The Alien and Locally Absent Species in Aquaculture (Scotland) Regulations 2015, PART 4. (See end of Document for details)
