

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE

### Letting Agent Code of Practice

#### *SECTION 2*

##### *Section 2: Overarching standards of practice*

**27.** You must inform the appropriate person, the landlord or tenant (or both) promptly of any important issues or obligations on the use of the property that you become aware of, such as a repair or breach of the tenancy agreement.
