

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE

### Letting Agent Code of Practice

#### *SECTION 4*

#### *Lettings*

#### **References and checks**

**58.** If you are to check references and make other checks, you must explain to the applicant and any guarantor what information you will check and who will do the checking, and get their written permission.
