

SCHEDULE 6

OTHER CONTRACTUAL TERMS

PART 5

DATA PROTECTION, RECORDS, INFORMATION, NOTIFICATIONS AND RIGHTS OF ENTRY

Health Board Obligations – records etc.

67. The Health Board must—

- (a) take all reasonable steps to confirm the accuracy of patient records provided to or accessed by it;
- (b) provide to the contractor, guidance, templates, and privacy notices, relating to the contractor's processing of personal data and the contractor's maintenance of a record in accordance with sub-paragraph 66(d);
- (c) notify the contractor timeously of its current policies regarding data security, personal data security and IT security processes;
- (d) maintain a record of its processing activities carried out in relation to a contractor's patient records;
- (e) ensure that any of its employees who have access to the contractor's patient records and practice data has undergone adequate data protection training; and
- (f) make available appropriate data protection training to the contractor and its employees.

Changes to legislation:

There are currently no known outstanding effects for the The National Health Service (General Medical Services Contracts) (Scotland) Regulations 2018, Paragraph 67.
