

SCHEDULE

TRANSITIONAL PROVISIONS

Qualifying calves

- 2.—(1) This paragraph applies where—
 - (a) a qualifying calf is less than 40 days old on the coming into force day, and
 - (b) the keeper of the calf has not taken a sample in accordance with article 15(1)(a) of the 2013 Order.
- (2) The period for taking a sample from the calf provided for by article 19(1)(a) runs from the date that the calf is born.
