**2019 No. 436**

**The Environment (EU Exit) (Scotland)  
(Amendment etc.) (No. 2) Regulations 2019**

**PART 3**

**Amendments of secondary legislation relating  
to withdrawal from the European Union**

**5.—**(1) The Waste Batteries (Scotland) Regulations 2009<sup>(1)</sup> are amended as follows.

(2) In regulation 2 (interpretation)—

(a) for the definition of “battery” substitute—

““battery” means any source of electrical energy generated by direct conversion of chemical energy and consisting of one or more primary battery cells (non-rechargeable) or one or more secondary battery cells (rechargeable; an accumulator), but does not include—

- (a) equipment connected with the protection of essential security interests, arms, munitions and war material, with the exclusion of products that are not intended for specifically military purposes, or
- (b) equipment designed to be sent into space,”

(b) for the definition of “waste battery”<sup>(2)</sup> substitute—

““waste battery” means any battery which the holder discards or intends or is required to discard.”.
