Approved by the Scottish Parliament

<i>Made</i>	- - - -	<i>14th May 2021</i>
<i>Laid before the Scottish Parliament</i>	- - - -	<i>at 11.30 a.m. on 17th May 2021</i>
<i>Coming into force</i>	- -	<i>17th May 2021</i>

The Scottish Ministers make the following Regulations in exercise of the power conferred by paragraph 1(1) of schedule 19 of the Coronavirus Act 2020(1) (“the Act”) and all other powers enabling them to do so.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

The Scottish Ministers consider that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with paragraph 6(2) and (3) of schedule 19 of the Act, the Scottish Ministers are of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by a resolution of, the Scottish Parliament.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020 (“the Local Levels Regulations”). These Regulations come into force on 17 May 2021.

Regulation 3 amends regulation 2 of the Local Levels Regulations to include a definition of “live event”, and to make further provision relating to that definition. Regulation 2 also amends regulation 2 of the Local Levels Regulations to clarify the interpretation of “gathering”.

Regulation 4 amends regulation 4 of the Local Levels Regulations to extend the purposes for which a local authority may designate a person for enforcement purposes to include the provisions of Part 4 (restrictions on stadia and live events) in each of schedules 1, 2 and 3.

Regulation 5 amends regulation 6(5) of the Local Levels Regulations to change the number of persons which a constable must reasonably suspect to be at a gathering in a private dwelling before the power of entry in regulation 6(1) of the Local Levels Regulations may be exercised.

Amendments to schedules 1, 2, 3, 4, and 5 of the Local Levels Regulations at regulations 6(2), 7(2), 8(4), 9(2) and 10(2) adjust physical distancing requirements for children under 12. Persons responsible for places of worship, businesses or providing services are currently required to ensure, so far as reasonably practicable, that people on their premises or waiting to enter maintain a physical distance from each other, unless excepted from this requirement. These amendments add children under the age of 12 to the list of excepted persons.

Amendments to schedules 1, 2, and 3 of the Local Levels Regulations at regulations 6(3), 7(3), and 8(5) remove the restriction on organised public processions up to specified numbers of persons and specified durations.

Amendments to schedules 1, 2, and 3 of the Local Levels Regulations at regulations 6(4), 7(4), and 8(7) provide that live events can take place in Level 0, 1 and 2 areas up to specified limits. An event organiser may apply to a local authority for an exemption to the relevant capacity limits. A local authority may approve a capacity exemption application for a live event, and may make that approval subject to conditions. A local authority has power to vary and revoke those approvals. The Scottish Ministers may call in, for determination by them, a capacity exemption application.

Regulation 8(6) amends paragraph 13(1)(za) of the Local Levels Regulations to increase the number of persons who are permitted to gather indoors in a private dwelling to 6 persons from 3 households.

Amendments to schedule 6 of the Local Levels Regulations at regulation 11 provide for different Levels to apply in different parts of Scotland, as set out in the table. There are consequential amendments to schedules 4 and 5 of the Local Levels Regulations at regulations 9(3), (4) and (5) and regulation 10(3) to adjust travel controls to and from Level 3 and 4 areas.
