The Scottish Ministers make the following Regulations in exercise of the powers conferred by paragraph 1(1) of schedule 19 of the Coronavirus Act 2020⁽¹⁾ and all other powers enabling them to do so.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

The Scottish Ministers consider that the requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with paragraph 6(2) and (3) of schedule 19 of the Act, the Scottish Ministers are of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by, a resolution of the Scottish Parliament.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations (which come into force on 3 September 2021) amend the Health Protection (Coronavirus) (Requirements) (Scotland) Regulations 2021 (“the principal Regulations”).

Regulation 2 amends regulation 5 (Requirement to wear face covering in certain indoor places) of the principal Regulations. Regulation 2(2) inserts “rehearsing for a performance” as an activity falling within the exemption in paragraph (1)(j).

Regulation 2(3) inserts a new paragraph (1)(ja) into regulation 5. This creates an exemption from wearing a face covering indoors for those performing or rehearsing for a performance where the use of measures set out in paragraph (1)(j) would materially impede the performance or rehearsal and the wearing of a face covering would materially impede the performance or rehearsal. The exemption will apply as long as there is either a partition or a distance of at least one metre between the performer(s) and all other persons (except those who are performing or rehearsing with the performer(s) or assisting with the performance or rehearsal).
