**2021 No. 322**

**The Health Protection (Coronavirus) (International Travel  
and Operator Liability) (Scotland) Regulations 2021**

**PART 8**

**Duties on operators**

**Provision of information between 24 and 48 hours before scheduled departure**

**39.**—(1) Subject to paragraphs (2) and (3), an operator must ensure that a passenger (“P”) who arrives at a port in Scotland on an international passenger service provided by the operator was provided with the required information between 24 and 48 hours prior to the scheduled departure time of that service.

(2) If another person (“A”) made the booking on behalf of P (whether or not A is also a passenger on the service), the requirement in paragraph (1) is to be treated as complied with if the required information was provided to A between 24 and 48 hours prior to the scheduled departure time of the relevant service, along with a written request that A provide that information to P, unless A considers that, by virtue of P’s age or mental capacity, P is unlikely to be capable of understanding it.

(3) Paragraph (1) applies only if the booking was made for P to travel on the relevant service at least 48 hours prior to the scheduled departure time.
