

SCHEDULE 1

CALCULATION OF FEES

PART 1

General provisions

Glasshouses and polytunnels

5. In table 1 “glasshouse and polytunnel” means a building which—
 - (a) has not less than three-quarters of its total external area comprised of glass or other translucent material,
 - (b) is designed for the production of flowers, fruit, vegetables, herb or other horticultural produce, and
 - (c) is used, or is to be used, solely for the purposes of agriculture.
