

SCOTTISH STATUTORY INSTRUMENTS

2023 No. 201

**The Deposit and Return Scheme for
Scotland Amendment Regulations 2023**

Producer registration: Information to be contained in an application for producer registration

19. In schedule 1 (producer registration: information to be contained in an application for producer registration)—

- (a) paragraph 10, for “place on the market for” substitute “market, offer for sale or sell for the purposes of”,
- (b) after paragraph 11, insert—

“**12.** If the producer is also a producer of a low volume drink product—

- (a) relevant information that supports the identification of low volume drink products first marketed, offered for sale or sold for the purposes of retail sale in Scotland by that producer, including—
 - (i) any trade mark or distinguishing marks placed on low volume drink products or their packaging which assists in identifying the producer,
 - (ii) any unique codes or marks designed to support the capture of data relating to the low volume drink product (for example, a European Article Number).
- (b) the number of low volume drink products that share characteristics listed in paragraph (a) first made available by that producer to be marketed, offered for sale or sold for the purposes of retail sale in Scotland in the previous calendar year,
- (c) the number of low volume drink products that the producer anticipates it will market, offer for sale or sell for the purposes of retail sale in Scotland in the calendar year in which the producer is registered.”.

Commencement Information
