PART 4

Provision about divorce and dissolution arrangements

CHAPTER 1

Pension credit and pension debit members

SECTION 2

Pension sharing arrangements: information provided before 1st October 2023

Application and interpretation of Section 2

18.—(1) This Section applies where, before 1st October 2023, the scheme manager has provided information for the purpose of determining amounts under section 29 of WRPA 1999 in respect of a remedy member’s remedial police service.

(2) In this Section—

“alternative amount” has the meaning given in regulation 19;

“alternative reduction amount” and “alternative reduction amounts” have the meanings given in, respectively, regulation 23(3) and (4);

“alternative scheme”, in relation to a relevant pension sharing arrangement that does not relate to mixed service, means—

(a) where the initial scheme is D’s legacy scheme, the reformed scheme;

(b) where the initial scheme is the reformed scheme, D’s legacy scheme; “C’s pension account” has the meaning given in regulation 21(4);

“initial amount” means the total amount determined for the purposes of the relevant pension sharing arrangement under section 29(2) and (3) of WRPA 1999 in relation to D’s remediable shareable rights;

“initial reduction amount” means the amount by which D’s remediable relevant benefits were reduced pursuant to the relevant pension sharing arrangement;

“initial scheme”, in relation to a relevant pension sharing arrangement that does not relate to mixed service, means the police pension scheme in respect of which an initial amount or an initial reduction amount was determined;

“remediable credit adjustment” has the meaning given in regulation 20(2).

(3) For the purposes of this Section, a relevant pension sharing arrangement relates to mixed service if it specifies an appropriate amount in accordance with section 29(2) or (3) of WRPA 1999 by reference to the value of remediable relevant benefits to which D is entitled by virtue of remediable

shareable rights secured in both D’s legacy scheme and the reformed scheme (and, accordingly, a relevant pension sharing arrangement does not relate to mixed service if it specifies an appropriate amount by reference to remediable shareable rights secured in only one of those schemes).

Meaning of “alternative amount”

19.—(1) “Alternative amount” means—

- (a) in relation to a relevant pension sharing arrangement that does not relate to mixed service, and where an initial amount was determined under—
 - (i) section 29(2) of WRPA 1999 in relation to a percentage value to be transferred from the initial scheme, the amount that would have been determined applying the relevant percentage value under section 29(2) on the valuation day if the remediable relevant benefits had been secured in the alternative scheme;
 - (ii) 29(3) of WRPA 1999 in relation to an amount to be transferred from the initial scheme, the amount equal to the implied percentage of the cash equivalent of the remediable relevant benefits on the valuation day determined as if all of those benefits had been secured in the alternative scheme;
- (b) in relation to a relevant pension sharing arrangement that relates to mixed service, the greater of—
 - (i) the legacy scheme amount, and
 - (ii) the reformed scheme amount.

(2) In paragraph (1)(b)—

“legacy scheme amount” means, where the initial amount was determined in relation to—

- (a) a percentage value to be transferred from both the legacy scheme and the reformed scheme, the amount that would have been determined applying—
 - (i) in relation to pre-taper date remediable relevant benefits, the legacy scheme percentage value, and
 - (ii) in relation to post-taper date remediable relevant benefits, the reformed scheme percentage value,under section 29(2) of WRPA 1999 on the valuation day if all of the remediable relevant benefits had been secured in the legacy scheme;
- (b) an amount to be transferred from both the legacy scheme and the reformed scheme, the amount equal to the implied percentage of the cash equivalent of the remediable relevant benefits on the valuation day determined as if all the remediable relevant benefits had been secured in the legacy scheme;

“reformed scheme amount” means where the initial amount was determined under section 29(2) of WRPA 1999 in relation to—

- (a) a percentage value to be transferred from both the legacy scheme and the reformed scheme, the amount that would have been determined applying—
 - (i) in relation to pre-taper date remediable relevant benefits, the legacy scheme percentage value, and
 - (ii) in relation to post-taper date remediable relevant benefits, the reformed scheme percentage value,under that section on the valuation day if all of the remediable relevant benefits had been secured in the reformed scheme;
- (b) an amount to be transferred from both the legacy scheme and the reformed scheme, the amount equal to the implied percentage of the cash equivalent of the remediable relevant

benefits on the valuation day determined as if all the remediable relevant benefits had been secured in the reformed scheme.

(3) In this regulation—

“implied percentage”, in relation to the value of benefits under a police pension scheme, means the percentage that an initial amount determined under section 29(3) of WRPA represented of the cash equivalent of the remediable relevant benefits under that scheme on valuation day;

“legacy scheme percentage value” means the percentage value specified in a relevant pension sharing arrangement in relation to D’s legacy scheme for the purpose of determining an amount under section 29(2) of WRPA 1999;

“post-taper date remediable relevant benefits” means remediable relevant benefits to which a corresponding pension debit member (“D”) is entitled by virtue of remediable shareable rights secured by virtue of D’s remediable police service after D’s tapered protection closing date;

“pre-taper date remediable relevant benefits” means remediable relevant benefits to which D is entitled by virtue of remediable shareable rights secured by virtue of D’s remediable police service on or before D’s tapered protection closing date;

“reformed scheme percentage value” means the percentage value specified in a relevant pension sharing arrangement in relation to the reformed scheme for the purpose of determining an amount under section 29(2) of WRPA 1999;

“relevant percentage value” means—

(a) where the relevant pension sharing arrangement specifies a percentage value in relation to only the initial scheme for the purpose of determining an amount under section 29(2) of WRPA 1999, that percentage value;

(b) otherwise, the percentage value that is specified in relation to the alternative scheme;

“tapered protection closing date”, in relation to D, has the meaning given in paragraph 2 of schedule 4 of the 2015 Regulations.

21.—(1) This regulation applies where C’s pension credit account is subject to a remediable credit adjustment.

(2) The scheme manager must adjust C’s pension account by an amount equal to the remediable credit adjustment.

(3) Where the relevant pension sharing arrangement does not relate to mixed service, the “alternative reduction amount” is such amount as the scheme manager considers appropriate having regard to—
