DISPOSAL OF HUMAN REMAINS

The Hydrolysis (Scotland) (No. 1) Regulations 2026

Made - - - - *3rd February 2026*

Coming into force in accordance with regulation 1(2) and (3)

The Scottish Ministers make the following Regulations in exercise of the powers conferred by sections 99(1), 106(1) and 108 of the Burial and Cremation (Scotland) Act 2016^(a), section 27A(2) and (6) of the Registration of Births, Deaths and Marriages (Scotland) Act 1965^(b) and all other powers enabling them to do so.

In accordance with section 104(6) of the Burial and Cremation (Scotland) Act 2016 the Scottish Ministers have consulted persons they consider appropriate.

In accordance with section 106(2) and (3) of that Act a draft of this instrument has been laid before and approved by resolution of the Scottish Parliament^(c).

PART 1

Preliminary

Citation, commencement and interpretation

1.—(1) These Regulations may be cited as the Hydrolysis (Scotland) (No. 1) Regulations 2026.

(2) Subject to paragraph (3), these Regulations come into force on 2 March 2026.

(3) Regulations 1 to 3 come into force on the day after the day on which these Regulations are made, for the purpose of making regulations under sections 47(1), 48(2), 56(1) and 57(1) and (2) of the Act, as applied in relation to hydrolysis and as if modified in accordance with regulation 2 and schedule 1 of these Regulations.

(4) In these Regulations—

“the Act” means the Burial and Cremation (Scotland) Act 2016,

“hydrolysis” means the disposal of human remains and any soluble material in which the remains are wrapped in a chamber using hot water and potassium hydroxide (with or without the addition of sodium hydroxide) and includes—

(a) 2016 asp 20.

(b) 1965 c. 49. Section 27A was inserted by section 25 of the Certification of Death (Scotland) Act 2011 (asp 11).

(c) The powers to make these Regulations are exercised together by virtue of section 33(2) of the Interpretation and Legislative Reform (Scotland) Act 2010 (asp 10). By virtue of section 33(3) of that Act, the Regulations are subject to the affirmative procedure.

- (a) where a grinding process is applied to the solid remains after being removed from the chamber, that process, and
- (b) where any other process is applied to those remains, that other process.

PART 2

Modification of the Burial and Cremation (Scotland) Act 2016

Application of Part 2 of the Burial and Cremation (Scotland) Act 2016 to hydrolysis

2. The provisions in Part 2 of the Act apply, in relation to the disposal of human remains by hydrolysis, as if they were subject to the modifications specified in schedule 1.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision regarding hydrolysis, a new form of disposal of human remains.

Regulation 2 applies provisions of the Burial and Cremation (Scotland) Act 2016 (“the Act”) to hydrolysis, as if they were subject to specified modifications. The modifications that are to be read into the Act are set out in schedule 1.

Regulation 3 and schedule 2 amend the Act to reflect that hydrolysis is a third option for the disposal of human remains, in addition to burial and cremation. In particular—

- amendments are made to Part 3 of the Act (arrangements on death), which sets out who has the right to instruct the disposal of human remains, to include hydrolysis alongside burial and cremation;
- amendments are made to Part 4 of the Act (inspection) to allow the appointment of inspectors of hydrolysis and to allow the Scottish Ministers to make regulations for or in connection with the carrying out of inspections of hydrolysis facilities and hydrolysis authorities, aligning them with burial grounds, burial authorities, crematoriums and cremation authorities;
- amendments are made to section 107 (interpretation) to include new defined terms that are relied upon in the amendments to the Act.

Regulations 4 to 16 contain consequential amendments to other legislation. In particular—

- the Burial and Cremation (Pregnancy Loss Prescribed Information and Forms) (Scotland) Regulations 2018 are amended to reflect that hydrolysis is an option alongside burial and cremation following pregnancy loss;
- the Burial and Cremation (Inspection) (Scotland) Regulations 2025 are amended to ensure that hydrolysis facilities and hydrolysis authorities are subject to the same inspection regime as burial and cremation authorities, burial grounds and crematoriums;
- regulation 9 and schedule 8 of the Cremation (Scotland) Regulations 2019, which require a Form E1 to be provided where the death of a person has been investigated by the procurator fiscal before that person’s remains can be cremated, are revoked. Equivalent provision is made by amendment to the Registration of Births, Deaths and Marriages (Scotland) Act 1965 (Prohibition on Disposal of a Body without Authorisation) Regulations 2015, to provide that a Form E1 is to be provided where the death of a person has been investigated by the procurator fiscal before that person’s remains can be cremated or hydrolysed.

Regulations 1 to 3 come into force on the day after the day on which these Regulations are made, for the purposes of exercising the powers contained in sections 47(1), 48(2), 56(1) and 57(1) and (2) of the Act, as applied in relation to hydrolysis and as if modified in accordance with regulation 2 and schedule 1 of these Regulations. These Regulations come into force for all other purposes on 2 March 2026.
