- (4) The Commission shall also have power, subject to subsection (5), to determine that subsection (1)(a) shall not apply to proposals of any class or description specified by the Commission in relation either to cathedrals generally or to such cathedrals as may be specified.

 - (b) that the proposal does not relate to the cathedral church itself or a building within the precinct of the cathedral church for the time being used for ecclesiastical purposes;
 - (c) that planning permission, listed building consent or scheduled monument consent is required for the carrying out of all the works to which the proposal relates; and

- (10) Where—
- (a) an application has been made to the fabric advisory committee by virtue of subsection (1) (not being an application in respect of which a determination has been made under subsection (2)), and
 - (b) at least three members of the committee present and voting determine that the proposal in question gives rise to considerations of such special architectural,

archaeological, artistic or historic interest that the application should be determined by the Commission,
