

Church of England Pensions Measure 2018

2018 No. 9

PART 3

THE PAST SERVICE SCHEME

Pensions for surviving spouses etc. and children

24 Sections 22 and 23: supplementary provision

- (1) The rate of pension under the past service scheme that is payable to a surviving spouse or civil partner or a child of a deceased member increases each year as it would if it were a member's pension under the scheme, with section 17(1) and (2) applying accordingly.
- (2) The Church Commissioners may give the Board directions for making additional increases in the rate of the pension payable under the past service scheme to a surviving spouse or civil partner or a child of a deceased member.
- (3) A direction under subsection (2) may relate generally to all surviving spouses and civil partners or to all children or only to those of a specified description; and a description of surviving spouses and civil partners or of children may, in particular, be by reference to when the deceased member died or retired.
- (4) A direction under subsection (2) may direct that the pension payable to a surviving spouse or civil partner or to a child of a deceased member is to increase to an amount based on what the deceased member's pension or entitlement to pension would have been if the period of pensionable service to which the past service scheme applies had included the additional number of years specified in or determined under the direction.
- (5) The Board may, in the case of a particular surviving spouse, civil partner or child, augment the pension payable under the past service scheme by such amount and for such period as the Board agrees with the Church Commissioners.
