Application for variation of time for discharge

Application for variation of time for discharge

186.—(1) If, after a direction has been given under any of the preceding provisions of this Chapter requiring that trade effluent shall not be discharged until a specified date, it appears to the sewerage undertaker in question that in consequence—

- (a) of a failure to complete any works required in connection with the reception and disposal of the trade effluent; or
- (b) of any other exceptional circumstances,

a later date ought to be substituted for the date so specified in the direction, the undertaker may apply to the Authority for such a substitution.

(2) The Authority shall have power, on an application under paragraph (1), to vary the direction so as to extend the period during which the trade effluent may not be discharged until the date specified in the application or, if it thinks fit, any earlier date.

(3) Not less than one month before making an application under paragraph (1) a sewerage undertaker shall give notice of its intention to the holder of the consent under this Chapter in respect of the trade premises from which the trade effluent is to be discharged.

(4) The Authority, before varying a direction on an application under paragraph (1), shall take into account any representations made to it by the person to whom notice is given under paragraph (3).
