(3) The power to give a direction under paragraph (1) may only be exercised in respect of such of the modifications set out in the notice under Article 25(5)(a) as appear to the Commission not to be the modifications which are requisite for the purpose of remedying or preventing all or any of the adverse effects specified in the report as effects which could be remedied or prevented by modifications.

and shall consider any representations or objections which are duly made and not withdrawn.

(7) A notice under paragraph (4)(a) or (6) shall be given—

- (a) by publishing the notice in such manner as the Commission considers appropriate for the purpose of bringing it to the attention of persons likely to be affected by the making of the modifications; and
- (b) by serving a copy on the Authority and the company whose conditions of appointment it is proposed should be modified.

(8) The Commission may not make any modification under this Article which the Authority could not make under Article 25.

(9) After making modifications under this Article the Commission shall publish a notice stating that the modifications have been made and setting them out, with the reasons for making them.
