 - (b) by virtue of that appointment a company (“the new appointee”) will hold an appointment as the water undertaker or sewerage undertaker for an area which is or includes the whole or any part of the area for which, until the relevant date, another company (“the existing appointee”) holds an appointment as the water undertaker or, as the case may be, sewerage undertaker.
- (3) The second case in which this Schedule applies is where—
- (a) the High Court has made a special administration order in relation to any company holding an appointment under Chapter I (“the existing appointee”); and
 - (b) it is proposed that on and after the relevant date another company (“the new appointee”) should, without any such appointment or variation as is mentioned in sub-paragraph (2) having been made, hold an appointment as water undertaker or sewerage undertaker for an area which is or includes the whole or any part of the area for which until that date the existing appointee holds an appointment as water undertaker or, as the case may be, sewerage undertaker.
- (4) In this Schedule—
- “existing appointee” and “new appointee” shall be construed in accordance with sub-paragraph (2) or (3) according to whether this Schedule is applying in the case mentioned in the first or second of those sub-paragraphs;
- “other appointees” means any companies, other than the existing appointee and the new appointee, which are likely on or at a time after the relevant date to be holding appointments as water undertakers or sewerage undertakers for any area which is or includes any part of the area for which the existing appointee has at any time held an appointment as water undertaker or sewerage undertaker;
- “the relevant date” means—
- (a) where this Schedule applies by virtue of sub-paragraph (2), the coming into force of the appointment or variation mentioned in head (a) of that sub-paragraph; and

(5) References in this Schedule to any external assets or liabilities are references to any assets or liabilities as respects which any issue arising in any proceedings would have to be determined (in accordance with the rules of private international law) by reference to the law of a country or territory other than Northern Ireland (“external law”).

Making and effect of scheme

2.—(1) The existing appointee, acting with the consent of the new appointee and, in relation to the matters affecting them, of any other appointees, may make a scheme under this Schedule for the transfer of assets and liabilities from the existing appointee to the new appointee.

(2) A scheme under this Schedule shall not take effect unless it is approved by the Department or the Authority.

(3) Where a scheme under this Schedule is submitted to the Department or the Authority for its approval, the Department or the Authority may, with the consent of the new appointee, of the existing appointee and, in relation to the matters affecting them, of any other appointees, modify the scheme before approving it.

(4) A scheme under this Schedule for the transfer of the existing appointee’s assets and liabilities shall come into force on the relevant date and, on coming into force, shall, by virtue of this paragraph have effect, in accordance with its provisions and without further assurance, so as to transfer to the new appointee the assets and liabilities specified for transfer to it.

(5) If at any time after a scheme under this Schedule has come into force in relation to the assets and liabilities of any existing appointee the Department considers it appropriate to do so and the existing appointee, the new appointee and, in relation to the provisions of the order which affect them, any other appointees consent to the making of the order, the Department may by order provide that that scheme shall for all purposes be deemed to have come into force with such modifications as may be provided for in the order.

(6) The power under sub-paragraph (5) to provide for the modification of the transfer scheme shall be exercisable for the purpose only of making provision that could originally have been made by the scheme; and an order under that sub-paragraph —

- (a) may make, with effect from the coming into force of the scheme to which it relates, any such provision as could have been made by the scheme; and
- (b) may, in connection with giving effect to that provision from that time, contain such supplemental, consequential and transitional provision as the Department considers appropriate.

(7) In determining, in accordance with its duties under Part II of this Order, whether and in what manner to exercise any power conferred on it by this paragraph the Department or the Authority shall have regard to the need to ensure that any provision for the transfer of assets and liabilities in accordance with a scheme under this Schedule allocates assets and liabilities to the different companies affected by the scheme in such proportions as appear to it to be appropriate in the context

of the different functions which will, by virtue of this Order, be carried out at different times on and after the relevant date by the new appointee, by the existing appointee and by any other appointees.

(8) It shall be the duty of the new appointee, of the existing appointee and of any other appointees to provide the Department or the Authority with all such information and other assistance as it may reasonably require for the purposes of, or in connection with, the exercise of any power conferred on it by this paragraph.

(9) A company which without reasonable excuse fails to do anything required of it by virtue of sub-paragraph (8) shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 5 on the standard scale.

(10) Without prejudice to the other provisions of this Order relating to the special administrator of a company, anything which is required by this paragraph to be done by a company shall, where that company is a company in relation to which a special administration order is in force, be effective only if it is done on the company's behalf by its special administrator.

Contents of scheme

3.—(1) A scheme under this Schedule—

- (a) shall specify the assets and liabilities to be transferred to the new appointee; and
- (b) may make supplementary, incidental, transitional and consequential provisions in connection with the transfer of those assets and liabilities.

(2) The provisions of a scheme specifying the assets and liabilities to be transferred may do so—

- (a) by specifying them or describing them in particular; or
- (b) by identifying them generally by reference to a specified part of the existing appointee's undertaking, or their connection with the exercise of specified functions of that appointee; or
- (c) in any other manner appearing to the existing appointee to be appropriate in relation to the assets or liabilities in question;

and a scheme may except assets and liabilities from transfer in any corresponding manner.

(3) The assets and liabilities that may be specified by a scheme under this Schedule for transfer to the new appointee include—

- (a) assets and liabilities that would not otherwise be capable of being transferred or assigned by the existing appointee;
- (b) assets acquired and liabilities arising in the period after the making of the scheme and before the relevant date;
- (c) rights and liabilities arising after the relevant date in respect of matters occurring before that date;
- (d) property situated anywhere in the United Kingdom or elsewhere and rights and liabilities under the law of any part of the United Kingdom or of any place outside the United Kingdom; and
- (e) rights and liabilities under a statutory provision or Community instrument.

(4) A scheme under this Schedule may make provision for the division of any assets or liabilities between the existing appointee and the new appointee; and

- (a) where any rights or liabilities under a contract are so divided, the contract shall have effect as from the relevant date as if it constituted two separate contracts separately enforceable by and against the existing appointee and the new appointee respectively as respects the part of the rights or liabilities which falls to it as a result of the division; and

- (b) where any land is so divided, any rent payable under a lease (or a fee farm grant creating the relationship of landlord and tenant) in respect of that land or charged on that land shall be correspondingly divided so that one part is payable in respect of, or charged on, only one part of the land and the other part is payable in respect of, or charged on, only the other part.

(5) For the purpose of making any division of assets or liabilities which it is considered appropriate to make in connection with the transfer of assets and liabilities in accordance with a scheme under this Schedule, the provisions of that scheme may—

- (a) create for the existing appointee, the new appointee or any other appointees an interest in or right over any property to which the scheme relates;
- (b) create new rights and liabilities as between any two or more of those companies; and
- (c) in connection with any provision made by virtue of sub-paragraph (a) or (b), make incidental provision as to the interests, rights and liabilities of other persons with respect to the subject-matter of the scheme.

(6) A scheme under this Schedule may include provision imposing on the new appointee the obligation to enter into specified written agreements with, or execute such other instruments in favour of, the existing appointee or any other specified person: and any obligation so imposed shall be enforceable by civil proceedings for an injunction or other appropriate relief.

(7) The transfers provided for by a scheme under this Schedule, and the rights and liabilities that may be created by virtue of sub-paragraph (5) or an agreement or instrument under sub-paragraph (6), include transfers that are to take effect, and rights and liabilities that are to arise, regardless of any contravention, liability or interference with a right that would otherwise exist by reason of a provision having effect (whether under a statutory provision or an agreement or in any other way) in relation to the terms on which the existing appointee is entitled or subject to any asset or liability.

(8) A scheme under this Schedule may contain provision for the consideration to be provided by the new appointee and by any other appointees in respect of the transfer or creation of assets and liabilities by means of the scheme; and any such provision shall be enforceable in the same way as if the assets and liabilities had been created or transferred, and (if the case so requires) had been capable of being created or transferred, by agreement between the parties.

(9) A scheme under this Schedule may include provision—

- (a) for the new appointee to be treated as the same person in law as the existing appointee for such purposes or in such circumstances as are specified;
- (b) for agreements made, transactions effected or other things done (or treated as made effected or done) by or in relation to the existing appointee to be treated, so far as may be necessary for the purposes of or in connection with the transfer, as made, effected or done in relation to the new appointee;
- (c) for references in any agreement, instrument or other document to (or references which are to be treated as references to) the existing appointee or to an officer or employee of the existing appointee to have effect, so far as may be necessary for the purposes of or in connection with the transfer, as a reference to, or to an officer or employee of, the new appointee;
- (d) for proceedings commenced (or treated as commenced) by or against the existing appointee to be continued by or against the new appointee.

(10) Sub-paragraph (9)(c) does not apply in relation to references in a statutory provision.

(11) A scheme under this Schedule may include provision—

- (a) for treating the existing appointee as having given to the new appointee an acknowledgement in writing of the right of the new appointee to production of any

document relating in part to the title to, or to the management of, any asset transferred to it and to delivery of copies of that document; and

- (b) applying section 9 of the Conveyancing Act 1881 (c. 41) (with any specified modifications) in relation to any such case.

(12) A scheme under this Schedule may include provision for disputes as to the effect of the scheme to be referred to such arbitration as may be specified in or determined under the scheme.

Transfer of appointment

4.—(1) Where a scheme under this Schedule is made in the case specified in paragraph 1(3), the scheme may provide for the transfer to the new appointee, with such modifications as may be specified in the scheme, of the appointment under Chapter I of Part III which is held by the existing appointee.

(2) In such a case different schemes under this Schedule may provide for the transfer of such an appointment to different companies as respects different parts of the area to which the appointment relates.

(3) The rights, powers, duties and liabilities of the existing appointee under or in connection with the contract are transferred to the new appointee on the relevant date.

(4) Anything done before the relevant date by or in relation to the existing appointee in respect of the contract or the employee is to be treated from that date as having been done by or in relation to the new appointee.

(5) But if an employee informs the existing appointee before the relevant date that he objects to the transfer of his contract of employment under the scheme—

- (a) sub-paragraphs (2) to (4) do not apply in relation to his contract of employment; and
- (b) his employment with the existing appointee is terminated immediately before the relevant date.

(6) A person is not to be treated as having been dismissed by the existing appointee by reason of—

- (a) the transfer of his contract of employment under this paragraph; or
- (b) the termination of his employment under sub-paragraph (5).

(7) This paragraph does not affect any right a person has to terminate his contract of employment if (apart from the change of employer) a substantial change is made to his detriment in his working conditions.

Effect on third parties

6.—(1) Sub-paragraph (2) applies where (apart from that sub-paragraph) a third party would be entitled, in consequence of anything done or likely to be done by or under this Order in connection with a scheme under this Schedule—

- (a) to terminate, modify, acquire or claim any asset; or
 - (b) to treat any asset as modified or terminated.
- (2) That entitlement—
- (a) shall not be enforceable in relation to that asset, until after the transfer of the asset; and
 - (b) shall then be enforceable in relation to the asset only in so far as the scheme contains provision for the asset to be transferred subject to whatever confers that entitlement.

External assets, etc.

7.—(1) This paragraph applies in any case where a scheme under this Schedule provides for the transfer of any external assets or liabilities.

(2) It shall be the duty of the existing appointee and the new appointee to take, as and when the new appointee considers appropriate, all such steps as may be requisite to secure that the vesting in the new appointee by virtue of the transfer of any external asset or liability is effective under the relevant law.

(3) Until the vesting in the new appointee, by virtue of the transfer, of any external asset or liability is effective under the relevant external law, it shall be the duty of the existing appointee to hold that asset or right for the benefit of, or to discharge that liability on behalf of, the new appointee.

(4) Nothing in sub-paragraphs (2) and (3) shall be taken as prejudicing the effect under the law of Northern Ireland of the vesting in the new appointee by virtue of the transfer of any external asset or liability.

(5) The existing appointee shall have all such powers as may be requisite for the performance of its duty under this paragraph, but it shall be the duty of the new appointee to act on behalf of the existing appointee (so far as possible) in performing the duty imposed on the existing appointee by this paragraph.

(6) Duties imposed on the existing appointee or the new appointee by this paragraph shall be enforceable in the same way as if the duties were imposed by a contract between them.

(7) Any expenses incurred by the existing appointee under this paragraph shall be met by the new appointee.

- (a) the owners of the place of discharge; and
- (b) all other persons interested in the place of discharge or injuriously affected by the discharge or lack of discharge,

for loss or damage sustained by reason of the water being discharged or not discharged or being discharged otherwise than in accordance with the restriction or obligation.

(4) Where a drought order has been made under Article 137(1)(a), compensation in respect of the imposition of a prohibition or limitation on the taking of water from a source shall be made by the applicant for the order, to any persons to whom the prohibition or limitation applies, for loss or damage sustained by reason of the prohibition or limitation.

(5) Where a drought order has been made, compensation in respect of a power to make discharges of sewage effluent or trade effluent in pursuance of any consent shall be made by the applicant for the order, to any person who has been exercising that power, for loss or damage sustained by reason of the suspension or variation of the consent or the attachment of conditions to the consent.

(4) In assessing the compensation to be made under paragraph 1(3) in respect of the lack of discharge of compensation water, the Lands Tribunal may, if it thinks fit, have regard to the amount of water which, under the conditions existing by reason of the shortage of rain, would have been available to the claimant during the period during which the deficiency of supplies of water is continued, if the applicant in relation to whom the obligation was imposed had never carried on its undertaking.

(5) In sub-paragraph (4) “compensation water” has the same meaning as in Article 140.

but, in any other case, the sewerage undertaker may carry out the works subject to compliance with such conditions, including the payment of such compensation, as the arbitrator may have determined.

(6) Nothing in this paragraph shall be construed as limiting the powers of a sewerage undertaker under this Order in respect of the opening and the breaking up of streets and bridges for the purpose of constructing, laying and maintaining sewers, drains and pipes.

Saving for Part I and other powers

6. The provisions of this Part of this Schedule are without prejudice to the provisions of Part I of this Schedule or to any power conferred on a sewerage undertaker otherwise than by the relevant sewerage provisions.

SCHEDULE 11

THE TRANSFER SCHEME

Interpretation

1.—(1) In this Schedule—

“specified” means specified in the transfer scheme;

“third party” means any person other than—

- (a) the Department; or
- (b) the successor company;

“the transfer” means the transfer effected by Article 270(2).

(2) References in this Schedule to any external assets or liabilities are references to any assets or liabilities as respects which any issue arising in any proceedings would have to be determined (in accordance with the rules of private international law) by reference to the law of a country or territory other than Northern Ireland (“external law”).

Contents of transfer scheme

2.—(1) The transfer scheme—

- (a) shall specify the assets and liabilities to be transferred to the successor company; and
- (b) may make such supplementary, incidental, transitional and consequential provisions in connection with the transfer of those assets and liabilities as the Department considers appropriate.

(2) The provisions of the scheme specifying the assets and liabilities to be transferred may do so—

- (a) by specifying them or describing them in particular; or

- (b) by identifying them generally by reference to a specified part of the Department's undertaking, or their connection with the exercise of specified functions of the Department; or
- (c) in any other manner appearing to the Department to be appropriate in relation to the assets or liabilities in question;

and the scheme may except assets and liabilities from transfer in any corresponding manner.

(3) The assets and liabilities that may be specified by a transfer scheme for transfer to the successor company include—

- (a) assets and liabilities that would not otherwise be capable of being transferred or assigned by the Department;
- (b) assets acquired and liabilities arising in the period after the making of the scheme and before the transfer date;
- (c) rights and liabilities arising after the transfer date in respect of matters occurring before that date;
- (d) property situated anywhere in the United Kingdom or elsewhere and rights and liabilities under the law of any part of the United Kingdom or of any place outside the United Kingdom; and
- (e) rights and liabilities under a statutory provision or Community instrument.

(4) The transfer scheme may make provision for the division of any asset or liability between the Department and the successor company; and

- (a) where any rights or liabilities under a contract are so divided, the contract shall have effect as from the transfer date as if it constituted two separate contracts separately enforceable by and against the Department and the successor company respectively as respects the part of the rights or liabilities which falls to it as a result of the division; and
- (b) where any land is so divided, any rent payable under a lease (or a fee farm grant creating the relationship of landlord and tenant) in respect of that land or charged on that land shall be correspondingly divided so that one part is payable in respect of, or charged on, only one part of the land and the other part is payable in respect of, or charged on, only the other part.

(5) The transfer scheme may include provision for the creation—

- (a) in favour of the Department, of rights or liabilities over or in respect of assets transferred to the successor company;
- (b) in favour of the successor company, of rights or liabilities over or in respect of assets retained by the Department;
- (c) of other rights and liabilities between the Department and the successor body.

(6) The transfer scheme may include provision imposing on the successor company the obligation to enter into specified written agreements with, or execute such other instruments in favour of, the Department or any other specified person: and any obligation so imposed shall be enforceable by civil proceedings for an injunction or other appropriate relief.

(7) The transfers provided for by a transfer scheme, and the rights and liabilities that may be created by virtue of sub-paragraph (5) or an agreement or instrument under sub-paragraph (6), include transfers that are to take effect, and rights and liabilities that are to arise, regardless of any contravention, liability or interference with a right that would otherwise exist by reason of a provision having effect (whether under a statutory provision or an agreement or in any other way) in relation to the terms on which the Department is entitled or subject to any asset or liability.

(8) The transfer scheme may include provision—

- (a) for the successor company to be treated as the same person in law as the Department for such purposes or in such circumstances as are specified;
 - (b) for agreements made, transactions effected or other things done (or treated as made effected or done) by or in relation to the Department to be treated as made, effected or done by or in relation to the successor company;
 - (c) for references in any agreement, instrument or other document to (or references which are to be treated as references to) the Department or to an officer or employee of the Department to have effect as a reference to, or to an officer or employee of, the successor company;
 - (d) for proceedings commenced (or treated as commenced) by or against the Department to be continued by or against the successor company.
- (9) Paragraph (8) (c) does not apply in relation to references in a statutory provision.
- (10) The transfer scheme may include provision—
- (a) for treating the Department as having given to the successor company an acknowledgement in writing of the right of that company to production of any document relating in part to the title to, or to the management of, any asset transferred to it and to delivery of copies of that document; and
 - (b) applying section 9 of the Conveyancing Act 1881 (c. 41) (with any specified modifications) in relation to any such case.
- (11) A transfer scheme may include provision for disputes between the Department and the successor company—
- (a) as to the effect of the scheme; and
 - (b) arising at any time after the successor company has ceased to be wholly owned by the Crown,
- to be referred to such arbitration as may be specified in or determined under the scheme.

Modification of the transfer scheme

3.—(1) If, at any time after the transfer date but before the successor company has ceased to be wholly owned by the Crown, it appears to the Department that it is appropriate to do so, it may by order provide for the scheme to be deemed for all purposes to have been made with such modifications as may be provided for in the order.

(2) At any time after the successor company has ceased to be wholly owned by the Crown, the Department and the successor company may agree in writing that the scheme shall be deemed to have been made with such modifications as may be provided for in the agreement; and on the making of such agreement the scheme shall be deemed for all purposes to have been made with such modifications.

(3) The power under this paragraph to provide by order or agreement for the modification of the transfer scheme shall be exercisable for the purpose only of making provision that could originally have been made by the scheme.

Proof of title by certificate

4. A certificate issued by the Department to the effect that—

- (a) any asset or liability vested in the successor company in pursuance of the scheme; or
- (b) any asset or liability did not so vest,

shall for all purposes be conclusive evidence of the matters specified in the certificate.

Employment contracts

5.—(1) This paragraph applies if rights and liabilities under a contract of employment are transferred by virtue of a scheme.

(2) The contract of employment—

- (a) is not terminated by the transfer, and
- (b) has effect from the transfer date as if made between the employee and the successor company.

(3) Except as provided by the scheme, the rights, powers, duties and liabilities of the Department under or in connection with the contract are transferred to the successor company on the transfer date.

(4) Except as so provided, anything done before the transfer date by or in relation to the Department in respect of the contract or the employee is to be treated from that date as having been done by or in relation to the successor company.

(5) But if an employee informs the Department before the transfer date that he objects to the transfer of his contract of employment under the scheme—

- (a) sub-paragraphs (2) to (4) do not apply in relation to his contract of employment; and
- (b) his employment with the Department is terminated immediately before the transfer date.

(6) A person is not to be treated as having been dismissed by the Department by reason of—

- (a) the transfer of his contract of employment under this paragraph; or
- (b) the termination of his employment under sub-paragraph (5).

(7) This paragraph does not affect any right a person has to terminate his contract of employment if (apart from the change of employer) a substantial change is made to his detriment in his working conditions.

(8) For the purposes of this paragraph, if a person is employed in the civil service on terms which do not constitute a contract of employment—

- (a) he is to be treated as employed by the Department by virtue of a contract of employment;
- (b) the terms of that employment are to be regarded as constituting the terms of that contract.

Effect on third parties

6.—(1) Sub-paragraph (2) applies where (apart from that sub-paragraph) a third party would be entitled, in consequence of anything done or likely to be done by or under this Order in connection with the transfer scheme—

- (a) to terminate, modify, acquire or claim any asset; or
- (b) to treat any asset as modified or terminated.

(2) That entitlement—

- (a) shall not be enforceable in relation to that asset, until after the transfer of the asset; and
- (b) shall then be enforceable in relation to the asset only in so far as the scheme contains provision for the asset to be transferred subject to whatever confers that entitlement.

Compensation

7.—(1) Where, in consequence of any provision included in a transfer scheme, or anything done under this Schedule—

- (a) the rights or liabilities of a third party which were enforceable against or by the Department become enforceable as to part against or by the Department and as to part against or by the successor company; and
 - (b) the value of any asset of that party is thereby diminished,
- such compensation as may be just shall be paid to the third party by the successor company.

(2) Where—

- (a) a third party would, apart from any provision of a transfer scheme or paragraph 6, have become entitled to, or to exercise, any interest or right arising or exercisable in respect of the transfer or creation in accordance with such a scheme of any assets or liabilities, and
- (b) the provisions of that scheme or of paragraph 6 have the effect of preventing that party's entitlement to, or to exercise, that interest or right from arising on any occasion in respect of anything mentioned in head (a), and
- (c) provision is not made by the transfer scheme for securing that an entitlement to, or to exercise, that interest or right or an equivalent interest or right, is preserved or created so as to arise in respect of the first occasion when corresponding circumstances next occur after the transfer date,

such compensation as may be just in respect of the extinguishment of the interest or right shall be paid to the third party by the successor company.

(3) Any dispute as to whether any compensation is to be paid under this paragraph, and any dispute as to the amount of compensation to be paid, shall be referred to and determined by an arbitrator appointed by the Department.

External assets etc.

8.—(1) This paragraph applies in any case where the transfer scheme provides for the transfer of any external assets or liabilities.

(2) It shall be the duty of the Department and the successor company to take, as and when the successor company considers appropriate, all such steps as may be requisite to secure that the vesting in the successor company by virtue of the transfer of any external assets or liabilities is effective under the relevant law.

(3) Until the vesting in the successor company, by virtue of the transfer, of any external assets or liabilities is effective under the relevant external law, it shall be the duty of the Department to hold those assets for the benefit of, or to discharge those liabilities on behalf of, the successor company.

(4) Nothing in sub-paragraphs (2) and (3) shall be taken as prejudicing the effect under the law of Northern Ireland of the vesting in the successor company by virtue of the transfer of any external assets or liabilities.

(5) The Department shall have all such powers as may be requisite for the performance of its duty under this paragraph, but it shall be the duty of the successor company to act on behalf of the Department (so far as possible) in performing the duty imposed on the Department by this paragraph.

(6) Duties imposed on the Department or the successor company by this paragraph shall be enforceable in the same way as if the duties were imposed by a contract between the Department and that company.

(7) Any expenses incurred by the Department under this paragraph shall be met by the successor company.
