
DRAFT STATUTORY INSTRUMENTS

2008 No.

The Electricity and Gas (Carbon
Emissions Reduction) Order 2008

PART 4

Priority group obligations

Priority group obligations

13.—(1) A supplier must achieve the priority group obligation.

(2) The priority group obligation means that at least 40% of the carbon emissions reduction obligation is achieved by action carried out in the priority group.

Priority group flexibility action

14.—(1) No more than 12.5% of the priority group obligation may be achieved by promoting priority group flexibility action.

(2) Priority group flexibility action that exceeds the limit in paragraph (1) is not a qualifying action.
