(3) The Shropshire council's executive arrangements shall provide for the discharge of the main transitional function and the article 7 functions to be the responsibility of a committee of the council's executive, to be known as the Implementation Executive.

(4) Such statutory provisions as apply to, or in relation to, committees of a local authority's executive shall apply to, or in relation to, the Implementation Executive subject only to paragraphs (5) and (7) to (10) of this article and article 8(2) to (4); and for this purpose "statutory provisions" includes —

(6) It shall be the duty of the Shropshire council and each of the district councils to co-operate in the establishment of the Implementation Executive.

(7) The leader of the Implementation Executive shall be the person who is for the time being the leader of the Shropshire council's executive; and that person shall preside at all meetings of the Implementation Executive at which he is present.

(8) The persons who, immediately before 1st April 2009, are members of the Implementation Executive by virtue of paragraph (5)(d) or (e) shall continue as members of the Executive notwithstanding that they cease on that date to be members of the district councils.

(9) The Implementation Executive shall regulate its own proceedings, but a question to be decided by the Executive shall, in the first instance, be decided by the majority of those present and voting at the meeting at which the question is put, each member (including the leader of the Executive) having one vote.

(10) In the case of an equality of votes, the person presiding at the meeting (whether or not the leader of the Executive) shall have a casting vote, in addition to any other vote the person may have.
