

SCHEDULE 2

Visiting Practitioners from relevant European States

PART 2

Pharmacy technicians

First provision of services: supplementary

13.—(1) The evidence referred to in paragraph 12(2)(d) is evidence of—

- (a) the European-recognised qualifications which entitle the visiting practitioner to provide, in the practitioner's home State, the pharmacy services that the practitioner proposes to provide in Great Britain on a temporary and occasional basis; or
- (b) the qualifications which entitle the practitioner to practise as a pharmacy technician in the practitioner's home State.

(2) In this paragraph, "European-recognised qualifications" means qualifications which relevant European States are required by the Directive to recognise.
