**2013 No.**

**The Employment and Support Allowance Regulations 2013**

**PART 4**

**Limited Capability for Work**

**Matters to be taken into account in determining good cause in relation to regulations 18 or 19**

**20.** The matters to be taken into account in determining whether a claimant has good cause under regulation 18 (failure to provide information in relation to limited capability for work) or 19 (failure to attend a medical examination to determine limited capability for work) include—

- (a) whether the claimant was outside Great Britain at the relevant time;
- (b) the claimant's state of health at the relevant time; and
- (c) the nature of any disability the claimant has.
