PART 3

Accreditation of plants

Powers of the Authority when considering an accreditation application

- 18.**—(1) The Authority may by notice request—
- (a) that information about the plant or any eligible meters installed in relation to it be provided—
 - (i) by the certified installer who was responsible for the installation of the plant;
 - (ii) by the certified installer who was responsible for, or checked, the installation of the meters; or
 - (iii) by the applicant and verified by the relevant certified installer referred to in paragraph (i) or (ii) as applicable;
 - (b) that the applicant provide details of a further Energy Performance Certificate for the eligible property if the Authority has reason to believe that the applicant has not provided details of the most recent Energy Performance Certificate;
 - (c) that the applicant provide details of a further Energy Performance Certificate for the eligible property if—
 - (i) the applicant declares that loft insulation or cavity wall insulation cannot be installed in the property because of a reason set out in paragraph 1(4) of Schedule 3; and
 - (ii) the Authority is not satisfied that the loft insulation or cavity wall insulation recommended in the recommendation report cannot be installed and has requested a new Energy Performance Certificate in which that insulation is no longer recommended in the recommendation report; and
 - (d) that the applicant provide such other information specified in Part 2 of Schedule 4 as the Authority may require.
- (2) The Authority may arrange for a site inspection to be carried out in order to satisfy itself that the plant should be given accreditation.
