**2014 No.**

The Electricity Capacity Regulations 2014

PART 4

Capacity auctions

CHAPTER 3

Eligibility criteria and prequalification

**Regulations 16 to 18: interpretation**

**19.** In regulations 16 to 18, “delivery period” means the delivery year or period of delivery years for which a capacity obligation would be awarded in respect of a CMU (“CMU i”) if a bid in respect of CMU i were accepted at the capacity auction for which the applicant is applying for prequalification.
