(4) In relation to an offence under regulation 3(2), regulations 6 to 8 come into force 6 months after the day on which these Regulations are made.

(5) These Regulations extend to England and Wales, but apply in relation to England only.

Interpretation

2. In these Regulations—

“authorised purpose” means the purpose of determining whether an offence under regulation 3(1) or (2) has been or is being committed, or any requirement of a compliance notice, a stop notice or an enforcement undertaking under these Regulations has been or is being contravened;

“compliance notice” has the meaning given by paragraph 1(1)(b) of the Schedule;

“enforcement undertaking” has the meaning given by paragraph 17 of the Schedule;

“microbead” means any water-insoluble solid plastic particle of less than or equal to 5mm in any dimension;

“plastic” means a synthetic polymeric substance that can be moulded, extruded or physically manipulated into various solid forms and that retains its final manufactured shape during use in its intended applications;

“the regulator”, for the purposes of the enforcement of an offence under regulation 3(1) or (2), means, in relation to any place at which a rinse-off personal care product is manufactured or supplied, the local authority with responsibility for the area in which the place is situated;

and for this purpose “local authority” means—

(a) in relation to the City of London, the Common Council for the City of London;

(b) in relation to an area in the rest of London, the London borough council for that area;

- (c) in relation to the Isles of Scilly, the Council of the Isles of Scilly;
- (d) in relation to an area in the rest of England, the county council for that area or, where there is no county council for that area, the district council for that area;

“rinse-off personal care product” means any substance, or mixture of substances, manufactured for the purpose of being applied to any relevant human body part in the course of any personal care treatment, by an application which entails at its completion the prompt and specific removal of the product (or any residue of the product) by washing or rinsing with water, rather than leaving it to wear off or wash off, or be absorbed or shed, in the course of time;

and for this purpose—

- (a) a “personal care treatment” means any process of cleaning, protecting or perfuming a relevant human body part, maintaining or restoring its condition or changing its appearance; and
- (b) a “relevant human body part” is—
 - (i) any external part of the human body (including any part of the epidermis, hair system, nails or lips);
 - (ii) the teeth; or
 - (iii) mucous membranes of the oral cavity;

“stop notice” has the meaning given by paragraph 9(2) of the Schedule;

“supply”, in relation to a rinse-off personal care product, means supply by way of sale or its presentation as a promotional prize or gift in the course of a business;

“third party undertaking” has the meaning given by paragraph 3(1) of the Schedule.

PART 2

(2) P may not rely on a defence under paragraph (1) which involves a third party allegation unless P has—

- (a) served a notice in accordance with paragraph (3); or
- (b) obtained the leave of the court.

(3) The notice must—

- (a) give any information in P’s possession which identifies or assists in identifying the person who—
 - (i) committed the act or default; or
 - (ii) supplied the information on which P relied; and
 - (b) be served on the person bringing the proceedings not less than 7 clear days before the hearing of the proceedings.
- (4) P may not rely on a defence under paragraph (1) which involves an allegation that the commission of the offence was due to reliance on information supplied by another person unless it was reasonable for P to have relied upon the information, having regard in particular—
- (a) to the steps that P took, and those which might reasonably have been taken, for the purpose of verifying the information; and
 - (b) to whether P had any reason to disbelieve the information.
- (5) In this regulation, “third party allegation” means an allegation that the commission of the offence was due—
- (a) to the act or default of another person; or
 - (b) to reliance on information supplied by another person.

Time limit for the prosecution of offences

- 5.—(1) An information relating to an offence under regulation 3 that is triable by a magistrates’ court may be so tried if it is laid within twelve months after the date on which evidence sufficient in the opinion of the prosecutor to justify the proceedings comes to the knowledge of the prosecutor.

PART 3
