The Electricity and Gas (Powers to Make Subordinate  
Legislation) (Amendment) (EU Exit) Regulations 2018

PART 2

Amendments to retained direct EU legislation

CHAPTER 1

Amendment of the Electricity Regulation

**Amendment of Article 7**

5. For Article 7 (amendments of network codes) substitute—

*“Article 7*

*Amendments of network codes or guidelines*

1. A national authority may, by regulations, amend an electricity network code or guideline.
2. The power in paragraph 1 includes power to—
  - (a) insert into the electricity network code or guideline new provision about the same subject-matter as, or related subject-matter to, an existing provision of the electricity network code or guideline; or
  - (b) revoke the electricity network code or guideline or any provision of it, either with or without making replacement provision.
3. Regulations under this Article must be consistent with the objectives of contributing to non-discrimination, effective competition and the efficient functioning of the market.
4. Regulations under this Article may—
  - (a) include supplementary, incidental, consequential, transitional, transitory or saving provision; and
  - (b) make different provision for different cases.
5. In this Article, “electricity network code or guideline” and “national authority” have the same meanings as in Article 6.”.
