

## SCHEDULE 25

### Amendment of the Equipment and Protective Systems Intended for Use in Potentially Explosive Atmospheres Regulations 2016

#### **Amendment to Schedule 2**

**38.** Schedule 2 (notified body requirements) is amended as follows—

- (a) for “a notified body” substitute “an approved body” in every place in which it occurs;
- (b) in the heading and in paragraphs 6, 9, 12(a) and 18 substitute each “notified” for “approved”;
- (c) in paragraph 3 for “regulation 44 (notification)” substitute “regulation 44 (approval of conformity assessment bodies)”;
- (d) in paragraph 10(b) for “notified” substitute “approved”;
- (e) in paragraph 12(c) for “harmonised standards and of the ATEX Directive” substitute “designated standards”; and
- (f) in paragraph 18 for “under the ATEX Directive” substitute “by the Secretary of State”.
