

SCHEDULE 4

Amendments to the Capacity Allocation Mechanisms Code

21.—(1) Article 29 is amended as follows.

(2) At the end of paragraph 1, insert “Where relevant, the transmission system operators must endeavour to work with any concerned non-UK TSO to offer the incremental capacity in accordance with this paragraph.”.

(3) In paragraph 3(a), after the words “transmission system operators”, insert “and, if applicable, non-UK TSOs”.
