Enforcement

CHAPTER 2

Civil penalties

Aviation: failure to comply with condition of emissions monitoring plan

62.—(1) An aircraft operator is liable to a civil penalty where the aircraft operator fails to comply (or to comply on time) with a condition of an emissions monitoring plan, contrary to article [32\(2\)](#).

(2) The civil penalty is—

- (a) £20,000; and
- (b) a daily penalty at a daily rate of £500 for each day that the person fails to comply with the condition, beginning with the day on which the initial notice is given, up to a maximum of £45,000.
