
DRAFT STATUTORY INSTRUMENTS

2021 No.

The Ecodesign for Energy-Related Products
and Energy Information Regulations 2021

PART 2

Ecodesign for Energy-Related Products

CHAPTER 7

ELECTRONIC DISPLAYS

Ecodesign requirements

40.—(1) Any electronic display to which these Regulations apply must conform to the ecodesign requirements set out in Schedule 19 when it is placed on the market or put into service.

(2) Manufacturers, authorised representatives and importers of electronic displays must comply with paragraphs 15 to 18 of Schedule 19 (availability of spare parts, access to repair and maintenance information, software updates etc.).
