- (2) An enforcement notice must include the following information—
- (a) that—
 - (i) the recipient may make representations against the penalty charge in accordance with regulation 5 of these Regulations, but

 - (b) provides R, free of charge, with such still images from that record as, in the authority’s opinion, establish the alleged relevant road traffic contravention.
- (4) The enforcement authority must comply with any request under paragraph (3) within a reasonable time.

CHAPTER 2

Enforcement notices: representations and appeals

Application of Chapter 2

4. This Chapter applies where a person—
- (a) is served with a notice to owner, or
 - (b) is served with a regulation 10 penalty charge notice and the penalty charge to which it relates has not been paid.

Representations against the enforcement notice

5.—(1) The recipient may make representations against the enforcement notice to the enforcement authority which served it on the recipient.

- (2) The representations must be—
- (a) made in the form determined by the enforcement authority, and
 - (b) to either or both of the following effects—
 - (i) that in relation to the alleged contravention, one or more of the grounds specified in paragraph (4) apply;
 - (ii) that, whether or not any of those grounds apply, there are compelling reasons why, in the particular circumstances of the case, the enforcement authority should cancel the penalty charge and refund any sum paid to it on account of the penalty charge.
- (3) In determining the form for making representations, the enforcement authority must act through the joint committee.
- (4) The grounds mentioned in paragraph (2)(b)(i) are—
- (a) the alleged contravention did not occur;
 - (b) the recipient—
 - (i) never was the owner of the vehicle in question,
 - (ii) had ceased to be its owner before the alleged contravention occurred, or

- (iii) became its owner after the alleged contravention occurred;
 - (c) at the time that the alleged contravention occurred, the vehicle in question was in the control of a person who did not have the consent of the owner;
 - (d) the recipient is a vehicle-hire firm and—
 - (i) the vehicle in question was at the material time hired from that firm under a hiring agreement, and
 - (ii) the person hiring it had signed a statement of liability acknowledging their liability in respect of any penalty charge notice served in respect of any relevant road traffic contravention involving the vehicle during the currency of the hiring agreement;
 - (e) the penalty charge exceeded the amount applicable in the circumstances of the case;
 - (f) there has been a procedural impropriety on the part of the enforcement authority;
 - (g) the order which is alleged to have been contravened in relation to the vehicle concerned, except where it is an order to which Part 6 of Schedule 9 to the RTRA 1984 applies, is invalid;
 - (h) if a regulation 10 penalty charge notice is served under regulation 10(2)(b) or (c) of the 2022 General Regulations, no person prevented a civil enforcement officer from—
 - (i) fixing a regulation 9 penalty charge notice to the vehicle concerned, or
 - (ii) handing such a notice to the owner or person in charge of the vehicle;
 - (i) the enforcement notice should not have been served because—
 - (i) the penalty charge has already been paid in full, or
 - (ii) the penalty charge has been paid, reduced by the amount of any discount set in accordance with Schedule 9 to the TMA 2004, by the applicable date as specified in paragraph 1(3) of Schedule 3 to the 2022 General Regulations.
- (5) Where a recipient relies on the ground specified in paragraph (4)(b)(ii), their representations must, if the information is known by the recipient, state the name and address of the person to whom the vehicle was disposed of.
- (6) Where a recipient relies on the ground specified in paragraph 4(b)(iii), their representations must, if the information is known by the recipient, state the name and address of the person from whom the recipient acquired the vehicle.
- (7) Where a recipient relies on the ground specified in paragraph (4)(d), their representations must state the name and address of the person to whom the vehicle was hired at the material time.
- (8) In this regulation—
- “alleged contravention” means the alleged relevant road traffic contravention in relation to which an enforcement notice is served;
 - “hiring agreement” and “vehicle-hire firm” have the same meanings as in section 66 of the Road Traffic Offenders Act 1988(4);
 - “the material time” means the time when the alleged contravention is said to have been committed.

Duties of an enforcement authority to which representations are made under regulation 5

6.—(1) This regulation applies where an enforcement authority receives representations from a recipient under regulation 5.

(4) 1988 c. 53. The definition of “hiring agreement” in section 66(8) was amended by the Road Safety Act 2006 (c. 49).

(2) The enforcement authority may disregard any representations which it receives after the end of the period of 28 days beginning with the date on which the relevant enforcement notice is served.

(3) If the representations are—

- (a) made in accordance with regulation 5(2), and
- (b) not disregarded by the enforcement authority under paragraph (2),

the authority must, within the period of 56 days beginning with the date on which it receives the representations (“the 56-day period”), comply with the requirements specified in paragraph (4).

(4) The requirements mentioned in paragraph (3) are that enforcement authority must—

- (a) consider the representations and any supporting evidence which the recipient provides, and
- (b) serve on the recipient a notice of its decision (a “decision notice”) which states whether or not it accepts the representations made by the recipient.

(5) If the enforcement authority accepts the representations—

- (a) it must cancel the relevant enforcement notice,
- (b) its decision notice must state that the enforcement notice has been cancelled, and
- (c) when it serves the decision notice, it must refund any sum paid in relation to the relevant enforcement notice.

(6) If the enforcement authority does not accept the representations, its decision notice—

- (a) must—
 - (i) state that a charge certificate may be served on the recipient unless within the period of 28 days beginning with the date of service of the decision notice—
 - (aa) the penalty charge is paid, or
 - (bb) the recipient appeals to an adjudicator against the penalty charge,
 - (ii) indicate the nature of an adjudicator’s power to award costs, and
 - (iii) describe the form and manner in which an appeal to an adjudicator must be made, and
- (b) may contain such other information as the enforcement authority considers appropriate.

(7) If the enforcement authority fails to comply with the requirements specified in paragraph (4) within the 56-day period—

- (a) it is deemed for the purposes of these Regulations to have accepted the representations made by the recipient, and
- (b) it must—
 - (i) cancel the relevant enforcement notice,
 - (ii) refund any sum paid in relation to it, and
 - (iii) serve a notice on the recipient informing the recipient that the enforcement notice has been cancelled because the enforcement authority failed to serve a decision notice in accordance with paragraph (4)(b).

(8) The cancellation of an enforcement notice under this regulation does not prevent the enforcement authority from serving a new enforcement notice on another person in accordance with the 2022 General Regulations.

Appeal to an adjudicator against a decision to reject a recipient’s representations

7.—(1) A recipient may appeal to an adjudicator against an enforcement authority’s decision not to accept their representations.

(2) An appeal under this regulation must be made within—

- (a) the period of 28 days beginning with the date of service of the decision notice under regulation 6(4)(b) which states that the enforcement authority does not accept the recipient's representations, or
 - (b) such longer period as the adjudicator may allow.
- (3) Parts 1 to 3 of Schedule 1 make further provision in connection with appeals (including procedural matters).
- (4) On an appeal under this regulation, the adjudicator must consider—
- (a) the representations made under regulation 5,
 - (b) any additional representations which are made by the appellant to an effect in regulation 5(2)(b), and
 - (c) any representations made to the adjudicator by the enforcement authority.
- (5) If the adjudicator concludes that a ground specified in regulation 5(4) applies, the adjudicator—
- (a) must allow the appeal, and
 - (b) may give such directions to the enforcement authority as the adjudicator considers appropriate for the purpose of giving effect to that decision.
- (6) An adjudicator may, in particular, give a direction under paragraph (5)(b) requiring any of the following—
- (a) where the relevant enforcement notice is a notice to owner, the cancellation of the penalty charge notice to which it relates;
 - (b) the cancellation of the enforcement notice;
 - (c) the refund of any sum paid to the enforcement authority in respect of the penalty charge.
- (7) An enforcement authority which is given a direction under paragraph (5)(b) must comply with it immediately.
- (8) If an adjudicator—
- (a) does not allow an appeal, but
 - (b) is satisfied that there are compelling reasons why, in the particular circumstances of the case, the enforcement notice should be cancelled,
- the adjudicator may recommend to the enforcement authority that it cancel the enforcement notice.
- (9) An enforcement authority to which a recommendation is made under paragraph (8) must—
- (a) consider afresh the cancellation of the enforcement notice taking full account of any observations by the adjudicator, and
 - (b) within the period of thirty-five days beginning with the date on which the recommendation is given (“the 35-day period”), notify the appellant and the adjudicator as to whether or not it accepts the adjudicator's recommendation.
- (10) If the enforcement authority does not accept the adjudicator's recommendation, the notification under paragraph (9)(b) must include the reasons for that decision.
- (11) No appeal to the adjudicator lies against the decision of the enforcement authority not to accept the adjudicator's recommendation.
- (12) If the enforcement authority accepts the adjudicator's recommendation, the authority must—
- (a) cancel the enforcement notice, as soon as is reasonably practicable, and
 - (b) refund to the appellant any sum paid in respect of the penalty charge.
- (13) If an enforcement authority fails to comply with paragraph (9) within the 35-day period, the authority—

- (a) is to be taken to have accepted the adjudicator's recommendation, and
- (b) must—
 - (i) cancel the enforcement notice, and
 - (ii) refund to the appellant any sum paid in respect of the penalty charge.

PART 3

Representations and appeals in relation to the immobilisation of vehicles

Representations against immobilisation

- 8.—**(1) This regulation applies where—
- (a) an immobilisation device is fixed, in accordance with regulation 13 of the 2022 General Regulations, to a vehicle found in a civil enforcement area, and
 - (b) a relevant person secures its release from the device on payment of an amount in accordance with regulation 15 of those Regulations.
- (2) For the purposes of this regulation, a relevant person is—
- (a) the owner of the vehicle to which the immobilisation device was fixed, or
 - (b) the person in charge of that vehicle.
- (3) The relevant person must be notified by the enforcement authority, or a person acting on behalf of the enforcement authority—
- (a) of their right to make representations to the enforcement authority in accordance with this regulation, including the effect of paragraphs (5) and (6),
 - (b) that any representations made outside the period of 28 days beginning with the date on which the person is so notified may be disregarded,
 - (c) of the form in which representations must be made,
 - (d) the address to which representations must be sent, including, as appropriate—
 - (i) an email address,
 - (ii) a FAX telephone number,
 - (iii) the address of any website where representations may be submitted online (and the place on that website where the relevant facility may be accessed),
 as well as a postal address, and
 - (e) of their right to appeal to an adjudicator if those representations are not accepted.
- (4) A notice under paragraph (3) must be given, in writing, immediately upon release of the vehicle.
- (5) The relevant person may make representations to the enforcement authority to either or both of the following effects—
- (a) that one or more of the grounds specified in paragraph (6) apply, or
 - (b) whether or not any of those grounds apply, that there are compelling reasons why, in the particular circumstances of the case, the enforcement authority should refund some or all of the amount paid to secure the release of the vehicle.
- (6) The grounds mentioned in paragraph (5)(a) are—

- (a) the circumstances in which the vehicle had been permitted to remain at rest in the civil enforcement area were not circumstances in which a penalty charge was payable under regulation 5 of the 2022 General Regulations;
 - (b) the vehicle had been permitted to remain at rest in the place where it was by a person who was in control of the vehicle without the consent of the owner;
 - (c) the place where the vehicle was at rest was not in a civil enforcement area;
 - (d) in accordance with regulation 14 of the 2022 General Regulations, there was in the circumstances of the case no power under those Regulations to immobilise the vehicle at the time at which it was immobilised or at all;
 - (e) the penalty charge or other charge paid to secure the release of the vehicle exceeded the amount applicable in the circumstances of the case;
 - (f) there has been a procedural impropriety on the part of the enforcement authority.
- (7) Representations under this regulation must be made in such form as may be specified by the enforcement authority.
- (8) In determining the form for making representations, the enforcement authority must act through the joint committee.

Duties of an enforcement authority to which representations are made under regulation 8

9.—(1) This regulation applies where an enforcement authority receives representations under regulation 8.

(2) The enforcement authority may disregard any representations which it receives after the end of the period of 28 days beginning with the date on which the person making them (“R”) is informed under regulation 8(3) of their right to make representations under that regulation.

(3) If the representations are—

- (a) are made in accordance with regulation 8(5), and
- (b) are not disregarded by the enforcement authority under paragraph (2),

the authority must, within the period of 56 days beginning with the date on which the enforcement authority receives the representations (“the 56-day period”), comply with the requirement specified in paragraph (4).

(4) The requirements mentioned in paragraph (3) are that the enforcement authority must—

- (a) consider the representations and any supporting evidence which R provides, and
- (b) serve on R a notice of its decision (a “decision notice”) as to whether or not it accepts that—
 - (i) there are compelling reasons of the kind mentioned in regulation 8(5)(b), or
 - (ii) any of the grounds specified in regulation 8(6) apply.

(5) If the enforcement authority accepts that any of the grounds specified in regulation 8(6) apply, it must, when serving its decision notice, refund any sums that the person to whom the vehicle was released was required to pay under regulation 15 of the 2022 General Regulations.

(6) If the enforcement authority—

- (a) accepts there are compelling reasons of a kind mentioned in regulation 8(5)(b), but
- (b) if representations are also made that any of the grounds specified in regulation 8(6) apply, does not accept that any of the stated grounds apply,

the authority must refund the appropriate sums.

(7) For the purposes of paragraph (6) “the appropriate sums” means—

- (a) any sums that the person to whom the vehicle was released was required to pay under regulation 15 of the 2022 General Regulations, or
 - (b) such of those sums as the enforcement authority considers appropriate.
- (8) If the enforcement authority does not accept that there are compelling reasons of a kind mentioned in regulation 8(5)(b) or that any of the grounds specified in regulation 8(6) apply, the enforcement authority's decision notice must—
- (a) inform R of the right to appeal to an adjudicator under regulation 10,
 - (b) indicate the nature of an adjudicator's power to award costs, and
 - (c) describe the form and manner in which such an appeal is required to be made.
- (9) If an enforcement authority fails to comply with the requirements specified in paragraph (4) within the 56-day period, it—
- (a) is to be deemed to have accepted the representations and to have served a decision notice to that effect, and
 - (b) must refund any sums that the person to whom the vehicle was released was required to pay under regulation 15 of the 2022 General Regulations.
- (10) Paragraphs (6), (8) and (9) do not require an enforcement authority to refund any sum to the extent (if any) to which it was properly paid.

Appeal to an adjudicator against enforcement authority's decision to reject representations

10.—(1) A person ("P") may appeal to an adjudicator against an enforcement authority's decision not to accept that—

- (a) any of the grounds specified in regulation 8(6) apply, or
 - (b) there are compelling reasons of the kind mentioned in regulation 8(5)(b).
- (2) An appeal under this regulation must be made within—
- (a) the period of 28 days beginning with the date of service of the decision notice under regulation 9(4)(b) informing P of P's right to appeal to an adjudicator under this regulation, or
 - (b) such longer period as the adjudicator may allow.
- (3) Parts 1 to 3 of Schedule 1 make further provision in connection with appeals (including procedural matters).
- (4) On an appeal under this regulation, the adjudicator must consider—
- (a) the representations made under regulation 8,
 - (b) any additional representations which are made by the appellant, and
 - (c) any representations made to the adjudicator by the enforcement authority.
- (5) If the adjudicator concludes that—
- (a) any of the grounds specified in regulation 8(6) apply, and
 - (b) the enforcement authority would have been under the duty imposed by regulation 9(5) to refund any sums if it had accepted that the ground in question applied,
- the adjudicator must direct the authority to refund the relevant sums.
- (6) An enforcement authority which is given a direction under paragraph (5) must comply with it immediately.

(7) If the adjudicator—

- (a) does not give a direction under paragraph (5), but

(b) is satisfied that there are compelling reasons why, in the particular circumstances of the case, some or all of the sums paid to secure the release of the vehicle should be refunded, the adjudicator may recommend that the enforcement authority make such a refund.

(8) An enforcement authority to which a recommendation is made under paragraph (7) must—

(a) consider afresh the making of a refund of those sums taking full account of any observations by the adjudicator, and

(b) within the period of thirty-five days beginning with the date on which the recommendation was given (“the 35-day period”), notify the appellant and the adjudicator as to whether or not it accepts the adjudicator’s recommendation.

(9) If the enforcement authority does not accept the recommendation, the notification under paragraph (8)(b) must include the reasons for that decision.

(10) No appeal to the adjudicator lies against a decision of the enforcement authority not to accept an adjudicator’s recommendation.

(11) If the enforcement authority accepts the adjudicator’s recommendation it must make the recommended refund within the 35-day period.

(12) If the enforcement authority fails to comply with the requirements in paragraph (8) within the 35-day period, the authority—

(a) is to be deemed to have accepted the adjudicator’s recommendation, and

(b) must make the recommended refund.

PART 4

Representations and appeals in relation to removed vehicles

Representations about a removed vehicle

11.—(1) This regulation applies where, in relation to a vehicle found in a civil enforcement area for parking contraventions and removed under regulations made under section 99 of the RTRA 1984⁽⁵⁾, a person (“P”)—

(a) is required to pay an amount on recovery of the vehicle under section 101A(1) of that Act⁽⁶⁾,

(b) receives a sum in respect of the vehicle under section 101A(2) of that Act,

(c) is informed that the proceeds of sale of the vehicle did not exceed the amount of the relevant charges⁽⁷⁾, or

(d) is informed that the vehicle was disposed of without there being any proceeds of sale.

(2) P must, immediately upon the happening of the occurrence referred to in paragraph (1), be notified, in writing—

(a) of their right to make representations to the enforcement authority in accordance with this regulation, including the effect of paragraphs (3) and (4),

(b) that any representations made outside the period of 28 days beginning with the date on which the person is so notified may be disregarded,

(c) of the form in which the representations must be made,

⁽⁵⁾ The Regulations that currently apply in England are the Removal and Disposal of Vehicles Regulations 1986 (S.I. 1986/183).

⁽⁶⁾ Section 101A was inserted by paragraph 3(2) of Schedule 11 to the TMA 2004.

⁽⁷⁾ “The relevant charges” is defined, in the case of a vehicle found in a civil enforcement area for parking contraventions, in section 101A(3) of the RTRA 1984.

- (d) of the address to which representations must be sent, including, as appropriate—
 - (i) an email address,
 - (ii) a FAX telephone number,
 - (iii) the address of any website where representations may be submitted online (and the place on that website where the relevant facility may be accessed),as well as a postal address, and
 - (e) of that person's right to appeal to an adjudicator if those representations are not accepted.
- (3) P may make representations to the enforcement authority to either or both of the following effects that—
- (a) one or more of the grounds specified in paragraph (4) apply, or
 - (b) whether or not any of those grounds apply, there are compelling reasons why, in the particular circumstances of the case, the enforcement authority should—
 - (i) refund some or all of the amount that was paid to secure the release of the vehicle,
 - (ii) refund some or all of the amount that was deducted from the proceeds of sale of the vehicle in respect of the relevant charges, or
 - (iii) waive its right to recover all or any of the sums due to it on account of the removal or disposal of the vehicle.
- (4) The grounds mentioned in paragraph (3)(a) are that—
- (a) the circumstances in which the vehicle had been permitted to remain at rest in a civil enforcement area for parking contraventions were not circumstances in which a penalty charge was payable by virtue of regulation 5 of the 2022 General Regulations;
 - (b) a civil enforcement officer had not, in accordance with regulation 9 of the 2022 General Regulations, fixed a penalty charge notice to the vehicle or handed such a notice to the person appearing to that officer to be in charge of the vehicle, before the vehicle was removed;
 - (c) at the time the vehicle was removed, the power to remove the vehicle conferred by paragraph (2) of regulation 5C of the Removal and Disposal of Vehicles Regulations 1986⁽⁸⁾ was, by virtue of paragraph (3) of that regulation, not exercisable;
 - (d) the vehicle had been permitted to remain at rest in the place where it was by a person who was in control of the vehicle without the consent of the owner;
 - (e) that the place where the vehicle was at rest was not in a civil enforcement area for parking contraventions;
 - (f) that the penalty charge or other charge paid to secure the release of the vehicle exceeded the amount applicable in the circumstances of the case;
 - (g) that there has been a procedural impropriety on the part of the enforcement authority.
- (5) Representations under this regulation must be made in such form as may be specified by the enforcement authority.
- (6) In determining the form for making representations, the enforcement authority must act through the joint committee.

Duties of an enforcement authority to which representations are made under regulation 11

12.—(1) This regulation applies where an enforcement authority receives representations under regulation 11.

(8) S.I. 1986/183. Regulation 5C was inserted by S.I. 2007/3484, it was amended by S.I. 2021/461.

(2) The enforcement authority may disregard any representations which it receives after the end of the period of 28 days beginning with the date on which the person making them (“R”) is notified under regulation 11(2) of their right to make representations.

(3) If the representations—

(a) are made in accordance with regulation 11(3), and

(b) are not disregarded by the enforcement authority under paragraph (2),

the authority must, within the period of 56 days beginning with the date on which the enforcement authority receives the representations (“the 56-day period”), comply with the requirements specified in paragraph (4).

(4) The requirements are that the enforcement authority must—

(a) consider the representations and any supporting evidence which R provides, and

(b) serve on R a notice of its decision (a “decision notice”) as to whether or not it accepts that—

(i) there are compelling reasons of the kind referred to in regulation 11(3)(b), or

(ii) any of the grounds specified in regulation 11(4) apply.

(5) If the enforcement authority accepts that any of the grounds specified in regulation 11(4) apply, it must, when serving its decision notice—

(a) refund any amount that was—

(i) paid by R to secure the release of the vehicle under section 101A(1) of the RTRA 1984, or

(ii) deducted from the proceeds of sale of the vehicle in respect of the relevant charges in accordance with section 101A(2) of that Act, and

(b) inform R that it has waived the right to recover any sum which might otherwise have been due to it by way of a penalty charge or on account of the removal, storage or disposal of the vehicle.

(6) Paragraph (7) applies where the enforcement authority—

(a) accepts that there are compelling reasons of a kind mentioned in regulation 11(3)(b), but

(b) if the representations include any of the grounds specified in regulation 11(4), it does not accept that any of the stated grounds apply.

(7) Where this paragraph applies, the enforcement authority must, when serving its decision notice—

(a) refund the relevant amount, and

(b) inform R that it has waived the right to recover any sum which might otherwise have been due to it by way of a penalty charge or on account of the removal, storage or disposal of the vehicle.

(8) For the purposes of paragraph (7) “the relevant amount” means—

(a) where R was required to pay an amount to secure the release of the vehicle under section 101A(1) of the RTRA 1984—

(i) that amount, or

(ii) so much of that amount as the enforcement authority considers appropriate in the circumstances of the case;

(b) where an amount was deducted from the proceeds of sale of the vehicle in respect of the relevant charges in accordance with section 101A(2) of the RTRA 1984—

(i) the amount so deducted, or

(ii) so much of that amount as the enforcement authority considers appropriate in the circumstances of the case.

(9) Paragraphs (5) and (7) do not require an enforcement authority to refund any sum to the extent (if any) to which it was properly paid or deducted.

(10) An authority which has waived its right to recover a sum loses its right to do so.

(11) Where an authority does not accept that there are any compelling reasons of a kind mentioned in regulation 11(3)(b), or that any of the grounds specified in regulation 11(4) apply, its decision notice must—

- (a) inform R of R’s right to appeal to an adjudicator under regulation 13,
- (b) indicate the nature of an adjudicator’s power to award costs, and
- (c) describe in general terms the form and manner in which such an appeal is required to be made.

(12) Where an enforcement authority fails to comply with the requirements in paragraph (4) before the end of the 56-day period, the authority—

- (a) is to be deemed to have accepted the representations and served a decision notice to that effect, and
- (b) must refund—
 - (i) the relevant charges that R was required to pay under section 101A(1) of the RTRA 1984, or
 - (ii) the amount that was deducted from the proceeds of sale of the vehicle in respect of the relevant charges in accordance with section 101A(2) of that Act.

Appeal to an adjudicator against enforcement authority’s decision to reject representations

13.—(1) A person (“P”) may appeal to an adjudicator against an enforcement authority’s decision not to accept that—

- (a) there are compelling reasons of a kind mentioned in regulation 11(3)(b), or
- (b) any of the grounds specified in regulation 11(4) apply.

(2) An appeal under this regulation must be made within—

- (a) the period of 28 days beginning with date of service of the decision notice under regulation 12(4)(b) informing P of P’s right to appeal under this regulation, or
- (b) such longer period as the adjudicator may allow.

(3) Parts 1 to 3 of Schedule 1 make further provision in connection with appeals (including procedural matters).

(4) On an appeal under this regulation, the adjudicator must consider—

- (a) the representations made by the appellant under regulation 11(3), and
- (b) any additional representations that are made by the appellant.

(5) If the adjudicator concludes that—

- (a) any of the grounds specified in regulation 11(4) apply, and
- (b) the enforcement authority would have been under the duty imposed by regulation 12(5) to refund any sum if it had served a notice that it accepted that the ground in question applied,

the adjudicator must direct the authority to refund that sum.

(6) An enforcement authority which is given a direction under paragraph (5)—

- (a) must comply with the direction immediately, and

- (b) ceases to have any right to recover any sum which might otherwise have been due to it by way of a penalty charge or on account of the removal, storage or disposal of the vehicle.
- (7) If the adjudicator—
- (a) does not make a direction under paragraph (5), but
 - (b) is satisfied that there are compelling reasons why, in the particular circumstances of the case, some or all of the relevant charges paid to secure the release of the vehicle, or of the amount deducted from the proceeds of sale in respect of the relevant charges, should be refunded,
- the adjudicator may recommend that the enforcement authority make such a refund.
- (8) An enforcement authority to which a recommendation is made under paragraph (7) must—
- (a) consider afresh the making of a refund of those sums taking full account of any observations by the adjudicator, and
 - (b) within the period of 35 days beginning with the date on which the recommendation was given (“the 35-day period”), notify the appellant and the adjudicator as to whether or not it accepts the adjudicator’s recommendation.
- (9) If the enforcement authority does not accept the recommendation, the notification under paragraph (8)(b) must include the reasons for that decision.
- (10) No appeal to the adjudicator lies against the decision of the enforcement authority not to accept the adjudicator’s recommendation.
- (11) If the enforcement authority accepts the adjudicator’s recommendation it must make the recommended refund within the 35-day period.
- (12) If the enforcement authority fails to comply with the requirements of paragraph (8) within the 35-day period, the authority—
- (a) is to be deemed have accepted the adjudicator’s recommendation, and
 - (b) must make the recommended refund.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision entitling persons—

- (a) who are or may be liable to pay penalty charges in respect of parking contraventions (in and outside Greater London), bus lane contraventions outside Greater London and moving traffic contraventions outside Greater London (“relevant road traffic contraventions”),
- (b) who pay charges to secure the release of vehicles which have been immobilised or removed on account of such contraventions,

to make representations to enforcement authorities regarding their liability for the charges and to appeal to an adjudicator if the representations are not accepted. These Regulations apply only in England.

These Regulations should be read with the Civil Enforcement of Road Traffic Contraventions (Approved Devices, Charging Guidelines and General Provisions) (England) Regulations (S.I. 2022/71) (“the General Regulations”).

Part 1 makes provision for preliminary matters.

Part 2 makes provision about the information to be included in certain notices served in relation to relevant road traffic contraventions under the General Regulations about a person’s right to make representations or bring an appeal under these Regulations. This Part also makes provision about the making of representations against enforcement notices and the duties of an enforcement authority if they receive such representations. This Part also provides for an appeal to an adjudicator if the enforcement authority does not accept those representations.

Part 3 makes similar provision for the making of representations and appeals in relation to vehicles which have been immobilised in accordance with the General Regulations and in respect of which a person has had to pay a charge to have the vehicle released.

Part 4 makes similar provision for the making of representations and appeals in relation to vehicles which have been removed and stored or disposed of in accordance with the Road Traffic Regulation Act 1984 and regulations made under it.

Part 5 makes provision about the procedure to be followed in connection with an appeal under these Regulations. In addition, it creates an offence of making false or reckless representations under Parts 2, 3 or 4, or otherwise in connection with an appeal under, these Regulations.

Part 6 of these Regulations revokes the Civil Enforcement of Parking Contraventions (England) Regulations 2007 (S.I. 2007/3482) and makes related savings and transitional provisions. This Part also makes various consequential amendments to other existing legislation.
