

Midland Metro Act 1992

1992 CHAPTER vii

PART V

GENERAL

25 Railway at Handsworth authorised by Act of 1989

Notwithstanding anything in the Act of 1989 or shown on the deposited plans and sections referred to in that Act, the Executive may construct the railway authorised as Work No. 9 by that Act without a viaduct to take it over the siding of the Smethwick Railway referred to in the description of that work in Part I of Schedule 1 to that Act, so that that railway may be taken, within the limits of deviation (both lateral and vertical) for that work provided in the Act of 1989, over Booth Street by means of a bridge and on the level across the said siding.
