

## CHAPTER lxxix.

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 and 1888 relating to Bury (Rural) Conway Golborne Haydock Hipperholme Little Lever Southall-Norwood Spalding Whitwood and Whitworth. A.D. 1905.

[30th June 1905.]

**W**HEREAS under the authority of the Electric Lighting Acts 1882 and 1888 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act: 45 & 46 Vict. c. 56. 51 & 52 Vict. c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 1) Act 1905. Short title.

2. The several Orders as set out in the schedule to this Act shall be and the same are hereby confirmed and all the provisions thereof in manner and form as they are set out in the said schedule shall from and after the passing of this Act have full validity and effect. Orders in schedule confirmed.

## CHAPTER lxxix.

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 and 1888 relating to Bury (Rural) Conway Golborne Haydock Hipperholme Little Lever Southall-Norwood Spalding Whitwood and Whitworth. A.D. 1905.

[30th June 1905.]

**W**HEREAS under the authority of the Electric Lighting Acts 1882 and 1888 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act: 45 & 46 Vict.  
c. 56.  
51 & 52 Vict.  
c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 1) Act 1905. Short title.

2. The several Orders as set out in the schedule to this Act shall be and the same are hereby confirmed and all the provisions thereof in manner and form as they are set out in the said schedule shall from and after the passing of this Act have full validity and effect. Orders in  
schedule  
confirmed.

A.D. 1905.

For pro-  
tection of  
Lancashire  
County  
Council.

3.—(1) Nothing in any Order confirmed by this Act shall in any way limit or affect the powers of the Lancashire County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridgemaster necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For pro-  
tection of  
West Riding  
County  
Council.

4.—(1) Nothing in any Order confirmed by this Act shall in any way limit or affect the powers of the West Riding County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking

A.D. 1905.

For pro-  
tection of  
Lancashire  
County  
Council.

3.—(1) Nothing in any Order confirmed by this Act shall in any way limit or affect the powers of the Lancashire County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridgemaster necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For pro-  
tection of  
West Riding  
County  
Council.

4.—(1) Nothing in any Order confirmed by this Act shall in any way limit or affect the powers of the West Riding County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking

by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county surveyor necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county surveyor necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

BURY RURAL DISTRICT ELECTRIC LIGHTING.

A.D. 1905.

*Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Rural District Council of Bury in respect of the Rural District of Bury in the County Palatine of Lancaster.*

*Bury.*

1. This Order may be cited as the Bury Rural District Electric Lighting Order 1905. Short title.
2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order. Incorporation of Electric Lighting (Clauses) Act 1899.
3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the Bury Rural District Council. Undertakers.
4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of supply.
5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order. Power to break up streets.
6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order. Compulsory works.
7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order. Maximum prices.
- 8.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the rural district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one

BURY RURAL DISTRICT ELECTRIC LIGHTING.

A.D. 1905.

*Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Rural District Council of Bury in respect of the Rural District of Bury in the County Palatine of Lancaster.*

*Bury.*

1. This Order may be cited as the Bury Rural District Electric Lighting Order 1905. Short title.
2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order. Incorporation of Electric Lighting (Clauses) Act 1899.
3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the Bury Rural District Council. Undertakers.
4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of supply.
5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order. Power to break up streets.
6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order. Compulsory works.
7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order. Maximum prices.
- 8.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the rural district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one

[Ch. lxxix.] *Electric Lighting Orders Confirmation* [5 Edw. 7.]  
(No. 1) Act, 1905.

A.D. 1905. shilling a copy and such publication shall be in addition to and not in  
substitution for any publication prescribed by the Board of Trade under the  
*Bury.* Electric Lighting Act 1882.

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(a) be subject to revision at the next triennial revision provided for in this section; or

(b) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

Saving of power to make contracts &c. with Lancashire Electric Power Company.

9. Nothing in the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 as incorporated with this Order shall be construed as preventing the Undertakers from entering into or carrying into effect any contract agreement or arrangement which under the Lancashire Electric Power Act 1900 may be entered into and carried into effect by the Lancashire Electric Power Company and any local authority authorised to supply energy within the area of supply under that Act.

Powers of Radcliffe Urban District Council to

10.—(1) If at any time after the commencement of this Order any part of the rural district of Bury is transferred to the urban district of Radcliffe and by virtue of the Radcliffe Tramways and Improvement Act 1904 thereby

[Ch. lxxix.] *Electric Lighting Orders Confirmation* [5 Edw. 7.]  
(No. 1) Act, 1905.

A.D. 1905. shilling a copy and such publication shall be in addition to and not in  
substitution for any publication prescribed by the Board of Trade under the  
*Bury.* Electric Lighting Act 1882.

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(a) be subject to revision at the next triennial revision provided for in this section; or

(b) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

Saving of power to make contracts &c. with Lancashire Electric Power Company.

9. Nothing in the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 as incorporated with this Order shall be construed as preventing the Undertakers from entering into or carrying into effect any contract agreement or arrangement which under the Lancashire Electric Power Act 1900 may be entered into and carried into effect by the Lancashire Electric Power Company and any local authority authorised to supply energy within the area of supply under that Act.

Powers of Radcliffe Urban District Council to

10.—(1) If at any time after the commencement of this Order any part of the rural district of Bury is transferred to the urban district of Radcliffe and by virtue of the Radcliffe Tramways and Improvement Act 1904 thereby

[5 EDW. 7.] *Electric Lighting Orders Confirmation* [Ch. LXXIX.]  
(No. 1) Act, 1905.

becomes included within the area of supply under the Radcliffe Electric Lighting Order 1895 the Radcliffe Urban District Council may by six months' notice in writing require the Undertakers to sell and thereupon the Undertakers subject to the consent of the Board of Trade by deed approved by the Board of Trade shall sell to them so much of the undertaking authorised by this Order as is within the part so transferred (including all lands buildings works materials and plant suitable to and used by the Undertakers for the purposes of the undertaking within that part) upon the terms of the Radcliffe Urban District Council paying to the Undertakers the then fair market value of the lands buildings works materials and plant so purchased with the addition of a sum of 10 per cent. upon that value in respect of goodwill compulsory purchase and severance.

A.D. 1905.

*Bury.*

purchase part  
of undertaking  
upon extension  
of their area to  
part of area of  
supply.

(2) The amount to be paid on any such purchase as aforesaid shall be determined in default of agreement by arbitration and the Board of Trade may determine any other question which arises with respect to the purchase and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(3) As from the date on which any such purchase takes effect the part of the undertaking purchased shall vest in the Radcliffe Urban District Council freed from all debts mortgages or other similar obligations of the Undertakers or attaching to the part of the undertaking purchased and the powers of the Undertakers in relation to the supply of electricity under this Order or the principal Act within the area so transferred shall absolutely cease and determine and shall vest in the Radcliffe Urban District Council who shall become the Undertakers in respect of the area so transferred as if that area were included within the area of supply under the Radcliffe Electric Lighting Order 1895.

(4) Nothing in this section shall be construed as affecting any right which the Radcliffe Urban District Council may have with respect to the purchase of so much of the undertaking as may at any future time be situate within their district under section two of the Electric Lighting Act 1888.

(5) If in the event of a purchase by the Radcliffe Urban District Council under section two of the Electric Lighting Act 1888 or under the special powers given by this section any question arises as to whether any of the lands buildings works materials or plant aforesaid are suitable to and used for the purposes of the undertaking within the part transferred that question shall be determined by arbitration.

(6) As from the date of any such transfer as aforesaid until the date on which any purchase by the Radcliffe Urban District Council whether under the powers given by this section or under section two of the Electric Lighting Act 1888 takes effect the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 as incorporated with this Order shall apply as respects so much of the area of supply as is comprised within the part of the rural district so transferred as if the Undertakers were not

[5 EDW. 7.] *Electric Lighting Orders Confirmation* [Ch. LXXIX.]  
(No. 1) Act, 1905.

becomes included within the area of supply under the Radcliffe Electric Lighting Order 1895 the Radcliffe Urban District Council may by six months' notice in writing require the Undertakers to sell and thereupon the Undertakers subject to the consent of the Board of Trade by deed approved by the Board of Trade shall sell to them so much of the undertaking authorised by this Order as is within the part so transferred (including all lands buildings works materials and plant suitable to and used by the Undertakers for the purposes of the undertaking within that part) upon the terms of the Radcliffe Urban District Council paying to the Undertakers the then fair market value of the lands buildings works materials and plant so purchased with the addition of a sum of 10 per cent. upon that value in respect of goodwill compulsory purchase and severance.

*Bury.*

purchase part  
of undertaking  
upon extension  
of their area to  
part of area of  
supply.

(2) The amount to be paid on any such purchase as aforesaid shall be determined in default of agreement by arbitration and the Board of Trade may determine any other question which arises with respect to the purchase and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(3) As from the date on which any such purchase takes effect the part of the undertaking purchased shall vest in the Radcliffe Urban District Council freed from all debts mortgages or other similar obligations of the Undertakers or attaching to the part of the undertaking purchased and the powers of the Undertakers in relation to the supply of electricity under this Order or the principal Act within the area so transferred shall absolutely cease and determine and shall vest in the Radcliffe Urban District Council who shall become the Undertakers in respect of the area so transferred as if that area were included within the area of supply under the Radcliffe Electric Lighting Order 1895.

(4) Nothing in this section shall be construed as affecting any right which the Radcliffe Urban District Council may have with respect to the purchase of so much of the undertaking as may at any future time be situate within their district under section two of the Electric Lighting Act 1888.

(5) If in the event of a purchase by the Radcliffe Urban District Council under section two of the Electric Lighting Act 1888 or under the special powers given by this section any question arises as to whether any of the lands buildings works materials or plant aforesaid are suitable to and used for the purposes of the undertaking within the part transferred that question shall be determined by arbitration.

(6) As from the date of any such transfer as aforesaid until the date on which any purchase by the Radcliffe Urban District Council whether under the powers given by this section or under section two of the Electric Lighting Act 1888 takes effect the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 as incorporated with this Order shall apply as respects so much of the area of supply as is comprised within the part of the rural district so transferred as if the Undertakers were not

[5 EDW. 7.] *Electric Lighting Orders Confirmation* [Ch. lxxix.]  
(No. 1) Act, 1905.

Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

A.D. 1905.

*Golborne.*

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the railways and tramways which are also mentioned in that schedule.

Power to break up streets &c.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Compulsory works.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Maximum prices.

8. Nothing in the Electric Lighting (Clauses) Act 1899 as incorporated with this Order shall be construed as preventing the Undertakers from entering into or carrying into effect any contract agreement or arrangement which any company or person supplying energy under any Act of Parliament may under that Act enter into and carry into effect with any local authority authorised to supply energy.

Power to enter into arrangements.

9.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882.

Revision of prices.

(2) The Undertakers shall on the expiration of the third complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

[5 EDW. 7.] *Electric Lighting Orders Confirmation* [Ch. lxxix.]  
(No. 1) Act, 1905.

Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

A.D. 1905.

*Golborne.*

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the railways and tramways which are also mentioned in that schedule.

Maximum prices.

8. Nothing in the Electric Lighting (Clauses) Act 1899 as incorporated with this Order shall be construed as preventing the Undertakers from entering into or carrying into effect any contract agreement or arrangement which any company or person supplying energy under any Act of Parliament may under that Act enter into and carry into effect with any local authority authorised to supply energy.

Power to enter into arrangements.

9.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882.

Revision of prices.

(2) The Undertakers shall on the expiration of the third complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

A.D. 1905  
          
*Golborne.*

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(a) be subject to revision at the next triennial revision provided for in this section; or

(b) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

Commence-  
ment of Order.

10. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

Compulsory works.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order. Maximum prices.

8.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the area of supply a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882. Revision of prices so as to balance revenue and expenditure.

SOUTHALL-NORWOOD ELECTRIC LIGHTING.

A.D. 1905.

*Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Southall-Norwood Urban District Council in respect of the Urban District of Southall-Norwood in the County of Middlesex.*

*Southall-Norwood.*

1. This Order may be cited as the Southall-Norwood Electric Lighting Order 1905. Short title.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order. Incorporation of Electric Lighting (Clauses) Act 1899.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the Southall-Norwood Urban District Council. Undertakers.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of supply.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the tramways which are also mentioned in that schedule. Power to break up streets &c.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order. Compulsory works.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order. Maximum prices.

8.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the area of supply a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882. Revision of prices so as to balance revenue and expenditure.

A.D. 1905.

—  
*Southall-  
Norwood.*

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scale of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

- (a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order ;
- (b) the scale of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

- (a) be subject to revision at the next triennial revision provided for in this section ; or
- (b) vary in the same proportion as the prices charged to ordinary consumers :

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

Commence-  
ment of Order.

9. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the *Electric Lighting (Clauses) Act 1899* shall be the commencement of this Order.
