them the reasonable expenses incurred by them in and connected with such alterations :

- (13) The Council shall bear and on demand pay to the Great Western Company the reasonable expense (including compensation payable as aforesaid) of the employment by them during the construction repair or renewal of any works under the powers of this Order over under or across the railway or other property of the Great Western Company of such inspectors signalmen or watchmen to be appointed by the Great Western Company as may be reasonably necessary for watching and protecting the said railway and the conduct of the traffic thereon with reference to and during the construction repair or renewal of the said works and for preventing as far as may be all interference obstruction danger and accident from any of the operations or from the acts or defaults of the Council or their contractors or any person or persons in the employ of the Council or their contractors during such construction repair or renewal :
- (14) If the Great Western Company at any time or times hereafter require of which they shall be the sole judges to construct any additional or other works upon their lands or railway or to extend alter or repair their railway or other works upon across over or under which any of the works of the Council may have been constructed or laid the Great Western Company may after giving to the Council twenty-eight days' notice in writing under the hand of their Secretary or General Manager or in case of emergency of which the said Engineer shall be the sole judge after giving such notice as is reasonably practicable divert support or carry the said works of the Council across over or under their railway or other property at any other point or otherwise deal with the same in as convenient a manner as circumstances will admit and doing as little damage as may be and so as not to interrupt or interfere with the supply of water more than may be necessary without being liable to pay compensation in respect of such diversion supporting carrying or dealing with such works or any such interruption or interference . Provided that any works executed by the Great Western Company under this subdivision shall be executed to the reasonable satisfaction of the Council . Provided also that if the Council so elect the actual laying down repair or renewal of the pipes shall be effected by them and they may recover the cost of so doing from the Great Western Company unless the Great Western Company

shall be acting under powers existing or upon lands belonging to them at the date of this Order: A.D. 1927.

(15) Any additional expense which the Great Western Company may reasonably incur in widening altering reconstructing repairing or maintaining their railway or other works or in substituting a bridge for any level crossing under powers existing or upon lands belonging to them at the date of this Order by reason of the existence of the works of the Council laid or executed under the powers of this Order upon across over or under the same shall be paid by the Council:

Barry Order.

(16) Except as in this article otherwise expressly provided any difference arising between the Council and the Great Western Company respecting any of the matters referred to in this article shall be referred to and determined by an arbitrator to be appointed failing agreement at the request of either party after notice in writing to the other by the President of the Institution of Civil Engineers and subject as aforesaid the provisions of the Arbitration Act 1889 shall apply to any such reference and determination.

12.—(1) If within three years after the date on which the Council are in a position to supply water to the Rural District Council of Cardiff (in this article referred to as "the Rural Council") from the aqueduct conduit or lines of pipes (Work No. 1) by this Order authorised the Rural Council shall give six months' previous notice in writing to the Council of their intention to take a supply of water under the provisions of this article and shall then be in a position by having provided a suitable main or mains and other works or apparatus to take such supply then subject to the provisions hereinafter contained the Council shall deliver into such main or mains from the said aqueduct conduit or lines of pipes such quantity of water not being less than twenty-four thousand nor more than forty-eight thousand gallons per day of twenty-four hours as may be specified in such notice.

As to supply
of water to
Cardiff Rural
District
Council.

(2) If the Rural Council shall have required and taken a supply of water under subdivision (1) of this article then they shall thereafter be entitled from time to time during the period of ten years next after the date on which such supply commenced to give six months' notice in writing to the Council requiring the quantity of water for the time being delivered from the said aqueduct conduit or lines of pipes into the main or mains of the Rural Council to be increased and the Council shall upon the expiration of any such notice commence and continue to deliver into the main or mains of the Rural Council such further quantity of water as may be specified in such notice. Provided that the Council shall not be required to supply to the Rural Council

(3) The Rural Council after having given a notice requiring a supply of water or any subsequent notice or notices requiring an increased supply shall take and continue to take a supply of the quantity or quantities specified in such notice or notices so long as the Council shall continue to use the aqueduct conduit or lines of pipes Work No. 1 aforesaid.

(4) Such supply shall be delivered from the said aqueducts conduits or lines of pipes at such point or points not exceeding four as may be agreed upon between the Council and the Rural Council or failing agreement as shall be determined by arbitration.

(5) The Rural Council shall pay to the Council for all water supplied under this article at the rate of such sum per thousand gallons as may be agreed between the Council and the Rural Council or failing agreement shall be determined by arbitration under the provision hereinafter contained.

(6) All water to be taken by the Rural Council shall be measured at each point at which it is taken by a meter or other apparatus to be provided and maintained by the Council and let by them to the Rural Council upon such terms and at such rent as may be agreed upon between their respective engineers or failing agreement as shall be determined by arbitration. The meter shall be placed in some suitable chamber or building and on a site to be provided and maintained by the Rural Council and such meter and chamber and all pipes valves and other apparatus connecting the meter with the aqueducts conduits or lines of pipes from which the water is taken shall be fixed constructed and maintained by the Council at the cost of the Rural Council and shall be under the control of the Council. The Council and their engineers servants and workmen shall be entitled at all times to access to the valves and meters for the purpose of examination and recording the registration and of effecting at the cost of the Rural Council such repairs adjustments and replacements thereof as may be necessary.

(7) The register of the meter shall be *primâ facie* evidence of the quantity of water supplied by the Council through such meter.

(8) If at any time the meter shall cease to register or shall register incorrectly or shall at any time be removed for the purpose of repair or for any other reason then until such meter shall be repaired and refixed so as to register correctly the quantity of water passing through the same or until the same or some other meter correctly registering the water has been fixed the meter shall be deemed to have ceased to register or to register incorrectly immediately after the date on which the meter was previously read by the Council and as from that date the Council

shall be entitled to charge and the Rural Council shall be liable to pay for a daily quantity of water equal to the average daily quantity of water taken by the Rural Council under this article during the nearest corresponding period of the previous year with a reasonable addition in respect of any increased quantity or quantities of water which the Council may have been required by the Rural Council to supply under subdivision (2) of this article. In the event of the meter at any time registering incorrectly the Council on becoming aware thereof shall repair or replace the same with a correct meter within a reasonable time in that behalf and in the event of the meter being removed for any reason the Council shall refix or replace the same within such reasonable time.

BOROUGHS OF HARTLEPOOL AND
WEST HARTLEPOOL.

HARTLEPOOL PORT SANITARY DISTRICT.

*Hartlepoons
Order.*

Provisional Order for repealing certain Confirming Acts.

WHEREAS by the Hartlepoons Order 1881 which was confirmed by the Local Government Board's Provisional Orders Confirmation (Bath &c.) Act 1881 a Joint Board was constituted to act as Port Sanitary Authority for so much of the Port of Hartlepool as was therein defined and by virtue of that Order as altered by Section 10 of the Hartlepool Borough Extension Act 1883 that Joint Board now consists of fifteen members nine of whom represent the Council of the Borough of West Hartlepool and six of whom represent the Council of the Borough of Hartlepool;

And whereas by Section 7 of the Local Government Board's Provisional Order Confirmation (No. 2) Act 1883 it is enacted that nothing in the said Act of 1883 contained shall lessen prejudice or interfere with the power of the Local Government Board to repeal alter or amend by Provisional Order to be confirmed by Parliament the said Act of 1881 so far as it relates to the Hartlepool Port Sanitary Authority;

And whereas the said Order has been amended by Orders made on the 17th day of May 1888 and the 13th day of April 1903 which Orders were respectively confirmed by the Local Government Board's Provisional Orders Confirmation (No. 8) Act 1888 and the Local Government Board's Provisional Orders Confirmation (No. 9) Act 1903;

And whereas it is expedient that the above-mentioned Confirming Acts should be repealed so far as they relate to the said Orders and that the Joint Board should be reconstituted as Port Sanitary Authority for the aforesaid area in manner hereinafter appearing:

And whereas by Article XIX of the Order of 1899 as altered by Article 4 of the Order of 1926 provision was made with respect to the contributions to be paid by the constituent authorities towards the expenses of the Joint Board ;

And whereas it is expedient that the Order of 1899 should be further altered as hereinafter provided :

Now therefore the Minister of Health in pursuance of his powers under Section 297 of the Public Health Act 1875 and of all other powers enabling him in that behalf hereby orders that the Order of 1899 and the Order of 1926 shall be amended as follows :—

1. This Order shall come into operation on the First day of April One thousand nine hundred and twenty-eight which date of operation is hereinafter referred to as "the appointed day" :

Provided that for the purposes of the election by the constituent authorities of additional elective members of the Joint Board this Order shall come into operation on the date of the Act of Parliament confirming this Order.

2. The Joint Board shall consist of four ex-officio members and of eleven elective members and the ex-officio members shall be the persons described in column 3 of the Schedule hereto and the number of elective members to be elected by each of the Constituent Authorities shall be that set opposite to the name of that Constituent Authority in column 4 of the Schedule.

Constitution

5. Article XI of the Order of 1899 shall be amended by the substitution of "five" for "three" as the number of members of the Joint Board who shall constitute a quorum at meetings of the Joint Board.

6.—(1) Subdivision (2) of Article XIX of the Order of 1899 and Article 4 of the Order of 1926 shall be repealed.

(2) The common fund of the Joint Board so far as the same shall not be provided by such payments as are referred to in subdivision (1) of the said Article XIX shall be contributed by the Constituent Authorities.

(3) In respect of the period ending on the thirty-first day of March nineteen hundred and twenty-nine the Joint Board shall—

(a) in respect of each half year issue precepts requiring the constituent authorities to make contributions towards the estimated requirements of the Board in proportion to the assessable values of their respective districts on the first day of the half year;

(b) at the close of each half year ascertain the amount of their expenses for that half year (so far as the same may not be met by such payments as are referred to in subdivision (1) of the said Article XIX) and apportion such amount between the constituent authorities in proportion to the assessable values of their respective districts on the last day of the half year; and

(c) credit or debit each constituent authority with the amount by which the contribution made by that authority exceeds or falls short of the proportion of ascertained expenses chargeable against it.

For the purposes of any such apportionment as is mentioned above "assessable value" means in the case of a rural district the total net annual value of the district as appearing in the valuation list for the time being in force reduced by 75 per cent. of the value of agricultural land and in the case of an urban district the total net annual value of the district as appearing in the valuation list for the time being in force reduced by 75 per cent. of the value of agricultural land and of such hereditaments as are mentioned in subsection (1) (b) of section 211 of the Public Health Act 1875.

(4) As from the first day of April nineteen hundred and twenty-nine the provisions hereinunder mentioned shall apply in respect of precepts issued by the Joint Board as if that Board were a Board of Guardians that is to say:—

Subsection (2) of section 9 of the Rating and Valuation Act 1925 (except the proviso to paragraph (c) of the said subsection) subsections (4) and (5) of the said section 9 and any Rules made under the said subsection (4) except so far as they relate to the proviso to paragraph (c) of the said subsection (2).
