

**CHAPTER cxiv.**

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 to 1909 relating to Ardsley Bingley Birstall (Amendment) Burnham Great Harwood Greetland Hoyland Nether Launceston and Wimborne and District (Amendment). A.D. 1912.

[7th August 1912.]

WHEREAS under the authority of the Electric Lighting Acts 1882 to 1909 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act:

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 1) Act 1912. Short title.

2. The several Orders as amended and set out in the schedule to this Act are hereby confirmed and the same shall from and after the passing and subject to the provisions of this Act have full validity and effect. Orders in schedule confirmed.

A.D. 1912.
For pro-
tection of
West Riding
County
Council.

3.—(1) Nothing in the Ardsley Electric Lighting Order 1912 the Bingley Urban District Council Electric Lighting Order 1912 or the Greetland Electric Lighting Order 1912 confirmed by this Act shall in any way limit or affect the powers of the County Council of the West Riding of Yorkshire (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by any of the said Orders authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the said Orders.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertakings by the said Orders authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For pro-
tection of
Lancashire
County
Council.

4.—(1) Nothing in the Great Harwood Electric Lighting Order 1912 confirmed by this Act shall in any way limit or affect the powers of the Lancashire County Council (in this section referred to as "the county council") to rebuild alter widen

or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order. A.D. 1912.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridge-master necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

A.D. 1912.

SCHEDULE.

LIST OF ORDERS.

1. ARDSLEY.—Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to the Electrical Distribution of Yorkshire Limited.

Extension of time for compulsory works.

3.—(1) The powers granted by the principal Order as amended by this Order shall not be exercised unless within one year after the commencement of this Order (or such extended period not exceeding in the whole eighteen months as the Board of Trade may allow) the Undertakers under the principal Order as amended by this Order with the consent of and upon such terms and conditions and for such period as may be approved by the Board of Trade by deed to be approved by that Board transfer the undertaking authorised by the principal Order Transfer of powers granted by Order of 1901.

A.D. 1912.

Birstall.

to the Electrical Distribution of Yorkshire Limited whose registered office is situate at Calder Road Thornhill Dewsbury in the county of York On such transfer the rights powers authorities obligations and liabilities of the Undertakers in respect of the undertaking shall subject to the provisions contained in the deed of transfer be transferred to and may be exercised by and shall attach to that company who shall subject to the provisions of the principal Order become the Undertakers for the purposes of the principal Order as so amended.

(2) If the transfer authorised by this Order has not been made before the expiration of the time limited in that behalf in this section the Board of Trade may revoke the principal Order upon the expiration of that period.

Commence-
ment of
Order.

4. This Order shall come into force upon the day when the Act confirming this Order is passed which date is in this Order referred to as "the commencement of this Order."

BURNHAM ELECTRIC LIGHTING.

Burnham.

Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882. to 1909 to the Burnham Urban District Council in respect of the Urban District of Burnham in the County of Somerset.

Short title.

1. This Order may be cited as the Burnham Electric Lighting Order 1912.

Incorporation
of Electric
Lighting
(Clauses) Act
1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the Burnham Urban District Council.

Area of
supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to
break up
streets &c.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the

streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the railway which is also mentioned in that schedule. A.D. 1912:

Burnham.

6. The streets and part of street throughout which suitable and sufficient distributing mains are to be laid down within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order. Compulsory
works.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order. Maximum
prices.

8. The Undertakers may after they shall have acquired the land described in the Fifth Schedule to this Order use the same for the purposes of the undertaking authorised by this Order and may thereon erect construct maintain use and work a station or stations together with all such buildings engines batteries dynamos accumulators and other plant machinery apparatus works and conveniences as may be necessary or suitable for generating electricity for the purpose of giving a supply under this Order. Power to
use land for
erection of
generating
station.

9.—(1) The powers given by this Order shall not be exercised unless within twelve months or such extended period not exceeding in the whole fifteen months as the Board of Trade may allow after the passing of the Act confirming this Order the Undertakers transfer the undertaking to a company to be registered under the Companies (Consolidation) Act 1908 and to be called the Burnham and District Electric Supply Company Limited. Powers not to
be exercised
unless under-
taking is
transferred
to a com-
pany.

(2) Within that period the Undertakers may transfer and the company to whom the transfer is to be made may take a transfer of the undertaking with the consent of and on such terms and conditions as may be approved by the Board of Trade by deed approved by that Board.

(3) On such transfer the rights powers authorities obligations and liabilities of the Undertakers in respect of the undertaking shall be transferred to and may be exercised by and shall attach to the company to whom the transfer is made and that company shall subject to the provisions of this Order become the Undertakers for the purposes of this Order.

(4) If the transfer has not been made before the expiration of the period limited in that behalf the Board of Trade may revoke this Order at the expiration of that period.

A.D. 1912.

*Burnham.*Purchase
by local
authority.

10. When the said company shall have become the Undertakers for the purposes of this Order the following provisions shall have effect:—

- (1) The local authority may by giving twelve months' notice in writing to the Undertakers terminating at the expiration of a period of twenty-two or twenty-nine or thirty-six years from the date of the said transfer require the Undertakers to sell and thereupon the Undertakers shall sell to them the undertaking authorised by this Order (including all lands buildings works materials and plant suitable to and used by the Undertakers for the purposes of the undertaking) upon the terms of the local authority paying to the Undertakers an amount equal to the fair market value of the undertaking as a going concern such value being not less than the then value of the undertaking under section 2 of the Electric Lighting Act 1888:
- (2) If any question arises as to the price to be paid on any such purchase as aforesaid that question shall be determined by arbitration:
- (3) The Board of Trade may determine any other question which may arise with reference to such purchase and in default of agreement as to the date on which the purchase is to take effect may fix that date:
- (4) On and as from the date on which the purchase takes effect the undertaking shall vest in the local authority free from all debts mortgages or other similar obligations of the Undertakers and the powers of the Undertakers in relation to the supply of electricity under this Order shall cease and determine and shall vest in the local authority who shall become the Undertakers for the purposes of this Order:
- (5) Nothing herein contained shall affect the power of the local authority to purchase under section 2 of the Electric Lighting Act 1888 and that section shall apply as if this Order had been granted to the said company.

Revision of
prices so as
to balance
revenue and
expenditure.

11. If and when the local authority shall re-acquire the undertaking from the said company the following provisions shall apply:—

- (1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and

such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882 :

A.D. 1912.

Burnham.

- (2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) The prices to be charged shall not exceed the maximum prices which may be charged under this Order ;

(b) The scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers :

- (3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(a) Be subject to revision at the next triennial revision provided for in this section ; or

(b) Vary in the same proportion as the prices charged to ordinary consumers :

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract ;

- (4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

12. Except for the purpose of enabling the said transfer to be made this Order shall not come into force notwithstanding the confirmation thereof by Parliament until the day when the transfer takes effect and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

Church Street from Town Gate to Britannia Street Queen Street
from Town Gate to St. Hubert Street Glebe Street.

FOURTH SCHEDULE.

MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt during one hour.

SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter:—

For any amount up to twenty units thirteen shillings and fourpence and for each unit over twenty units eightpence.

SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

GREETLAND ELECTRIC LIGHTING.

A.D. 1912.

Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to the Urban District Council of Greetland in respect of the Urban District of Greetland in the West Riding of the County of York. Greetland.

1. This Order may be cited as the Greetland Electric Lighting Order 1912. Short title.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order. Incorporation of Electric Lighting (Clauses) Act 1899.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the Urban District Council of Greetland. Undertakers.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of supply.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the tramways which are mentioned in the Second Schedule to this Order. Power to break up tramways.

6. The parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order. Area of compulsory works.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order. Maximum prices.

8.—(1) The powers given by this Order shall not be exercised unless within one year or such extended period not exceeding in the whole fifteen months as the Board of Trade may allow after the passing of the Act confirming this Order the Undertakers transfer the undertaking to the Electrical Distribution of Yorkshire Limited a company registered under the Companies Acts 1862 to 1900 with Powers not to be exercised unless undertaking transferred to a company.

A.D. 1912. limited liability and having its registered offices at Calder Road
Greetland. Thornhill near Dewsbury in the West Riding of the County of York.

(2) Within that period the Undertakers may transfer and the said company may take a transfer of the undertaking with the consent of and on such terms and conditions as may be approved by the Board of Trade by deed approved by that Board.

(3) On such transfer the rights powers authorities obligations and liabilities of the Undertakers in respect of the undertaking shall be transferred to and may be exercised by and shall attach to the said company and the said company shall subject to the provisions of this Order become the Undertakers for the purposes of this Order.

(4) If the transfer directed by this Order has not been made before the expiration of the period limited in that behalf in this section the Board of Trade may revoke this Order upon the expiration of that period.

9. In the event of the transferors re-acquiring the undertaking from the said company the following provisions shall apply:—

(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882:

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers:

Revision of
prices so as
to balance
revenue and
expenditure.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

A.D. 1912.

Greetland.

(a) be subject to revision at the next triennial revision provided for in this section; or

(b) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract:

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

10. Except for the purpose of enabling the transfer directed by this Order to be made this Order shall not come into force notwithstanding the confirmation thereof by Parliament until the day when the transfer takes effect and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.
