(2) The Corporation may make such reasonable charges for the use of baths provided by them under this article as they may think fit.

(3) Baths provided by the Corporation under this article shall not be deemed to be baths to which the provisions of the Baths and Washhouses Acts 1846 to 1925 apply.

### PART III.

#### INSURANCE FUND.

Establish-  
ment of  
insurance  
fund.

6.—(1) The Corporation may if they think fit establish a fund to be called “the insurance fund” with a view of providing a sum of money which shall be available for making good all losses damages costs and expenses to which the Corporation may be subjected in consequence of the whole or any part of all or any of the following risks (namely) :—

(a) Risks of fire in respect of buildings works premises and the contents thereof and other property whether belonging or on loan to or under the care custody or control of the Corporation;

(b) Risks of accident and claims by third parties in respect of any vehicles belonging to or hired by or under the care custody or control of the Corporation and whether drawn or propelled by animal or mechanical or other means or power;

(c) Risks of explosion in respect of boilers;

(d) Risks under the common law the Employers' Liability Act 1880 the Workmen's Compensation Act 1925 or any Act repealed by or amending or extending either of those Acts or otherwise in respect of accidents to the officers servants or workmen of the Corporation or to third parties;

- (e) Risks of injury to school children through accident caused by the negligence of a teacher attendant or other person or any defect in any school or other premises under the control of the Corporation; A.D. 1929.  
 —  
*Bradford Order.*
- (f) Risks of mechanical or electrical breakdown at or in connection with any of the undertakings of the Corporation;
- (g) Risks of loss due to the infidelity or negligence of officers servants or workmen of the Corporation;
- (h) Any other risks against which in the absence of the insurance fund the Corporation would ordinarily insure.

(2) The establishment of the insurance fund shall not prevent the Corporation from insuring in one or more insurance offices of good repute against the whole or any part of all or any of the several risks for which the insurance fund is intended to provide.

(3) For the purposes of this article the Corporation may if they deem it so expedient and by arrangement with the managers of any public elementary school or the governing body of any college secondary school institute or hostel not provided by the Corporation as the local education authority include in the risks mentioned in sub-paragraph (d) of paragraph (1) of this article risks of accident to any teacher employed in any such college school institute or hostel.

7.—(1) In each financial year after the establishment of the insurance fund the Corporation shall pay into that fund either— Yearly payments to insurance fund.

- (a) such a sum as shall in their opinion be not less than the aggregate amount of the premiums which would be payable if the Corporation fully insured in one or more insurance offices of good repute against the several risks for which the insurance fund is intended to provide; or
- (b) if the Corporation partly insure in one or more insurance offices of good repute against the whole or any part of the several risks for which the insurance fund is intended to provide such sum as will together with the premiums paid for the last-mentioned insurance be not less than the aggregate amount mentioned in sub-paragraph (a) of this paragraph of this article.

(2) When the insurance fund shall amount to two hundred and fifty thousand pounds the Corporation may if they think fit discontinue the yearly payments under this article to the insurance fund but if the insurance fund is at any time reduced to below two hundred and fifty thousand pounds the Corporation shall recommence the yearly payments to the insurance fund and continue to make those payments until the insurance fund shall be restored to the sum of two hundred and fifty thousand pounds.

A.D. 1929.

—  
*Bradford*  
*Order.*

(3) The Corporation shall provide the yearly payments under this article by contributions from the general rate fund and shall show the same in their accounts under the separate heading or division in respect of the particular undertaking or department of the Corporation which if the risks were insured against in an insurance office would be properly chargeable with the payment of the premiums of such insurance.

Investments  
and interest  
thereon.

8.—(1) Except so far as the insurance fund and the proceeds of sale of securities in which that fund is invested may be necessary to meet losses damages costs and expenses in consequence of risks for which the insurance fund is intended to provide all moneys for the time being standing to the credit of the insurance fund shall (subject to the provisions of this Order) be invested in statutory securities.

(2) The interest received in any financial year by the Corporation from the investments of the insurance fund shall be carried to the general rate fund but the yearly payment to the insurance fund under the preceding article of this Order shall in that financial year be increased by a sum equal to the interest that would have accrued to the insurance fund if the interest on the investments had been carried directly to the insurance fund subject nevertheless to the provisions of paragraph (2) of the preceding article of this Order.

(3) For the purpose of calculating the sum to which the insurance fund amounts at any time securities forming part of the fund shall be valued at their market value at the time of the calculation.

Priority of  
claims and  
borrowing.

9.—(1) The insurance fund shall be applied to meet any losses damages costs or expenses sustained by the Corporation in consequence of risks for which it is intended to provide in the order of the dates on which such losses damages costs or expenses become ascertained.

(2) If at any time and from time to time the insurance fund shall be insufficient to make good any such losses damages costs or expenses the Corporation may borrow under and subject to the provisions of this Order such sums of money as shall be necessary to make up the deficiency.

(3) The amounts of the annual charges in respect of interest on and repayment of principal of any sums borrowed under this article and the amounts of any such deficiencies as aforesaid not made up by borrowing shall be paid out of the general rate fund and charged in the accounts of the Corporation under the separate headings or divisions in respect of such undertakings or departments of the Corporation and in such proportions as the Minister may determine having regard to the risks through which such deficiencies arise.

10. Upon the date of the establishment by the Corporation of the insurance fund— A.D. 1929.

(1) Part XIV of the Act of 1913 shall be repealed;

—  
*Bradford*  
*Order.*

(2) All property held by the Corporation in respect of the fire insurance fund or the accident fund established under the Act of 1913 shall be transferred to the insurance fund and all liabilities attaching to the Corporation in respect of the fire insurance fund or the accident fund established under the Act of 1913 shall attach to the Corporation in respect of the insurance fund. Repeal and transfer of property and liabilities.

11.—(1) The Corporation may use for the purpose of any statutory borrowing power exercisable by them any moneys forming part of the insurance fund and not for the time being required for the purposes of the insurance fund subject to the following conditions :— Use of insurance fund for statutory borrowing powers.

(a) The moneys so used shall be repaid to the insurance fund within the period by the methods and out of the fund rate or revenue within by and out of which a loan raised under the statutory borrowing power would be repayable :

Provided that the Corporation shall repay to the insurance fund the moneys so used or the balance thereof for the time being outstanding as the case may be as and when the same shall be required for the purposes of the insurance fund and may if they so resolve repay the same at any time within the period aforesaid and in either case the repayment shall be made out of the fund rate or revenue aforesaid or out of moneys which would have been applicable to the repayment of a loan if raised under the statutory borrowing power :

(b) Interest shall be paid to the insurance fund on any moneys so used and for the time being not repaid at such rate per centum per annum as may be determined by the Corporation to be equal as nearly as may be to the rate of interest which would be payable on a loan raised on mortgage under the statutory borrowing power and such interest shall be paid out of the fund rate or revenue which would be applicable to the payment of interest on a loan raised under the statutory borrowing power :

(c) The statutory borrowing power shall be deemed to be exercised by such use as fully in all respects as if a loan of the same amount had been raised in exercise of the power and the provisions of any enactment as to re-borrowing of sums raised under the statutory borrowing power shall apply accordingly.

A.D. 1929. (2) In this article "statutory borrowing power" has the same meaning as in the Act of 1913.

—  
*Bradford  
Order.*

PART IV.

SUPPLEMENTAL.

Borrowing  
powers.

12.—(1) In addition to any other moneys which the Corporation are or may from time to time be authorised to borrow the Corporation may for all or any of the purposes of this Order other than the purposes of article 3 of this Order with the sanction of the Minister borrow from time to time on the security of the general rate fund and general rate of the city such sums as are required for those purposes:

Provided that nothing in this article shall enable the Corporation to borrow for the purposes of Part III of this Order except as expressly provided in that Part.

(2) Any moneys borrowed under this article shall be repaid within such period not exceeding sixty years from the date of borrowing as the Minister may prescribe and the period so prescribed shall in respect of the sum concerned be the prescribed period for the purposes of the Local Loans Act 1875 and the provisions mentioned in the Schedule to this Order.

(3) The provisions of the Act of 1900 and the Act of 1913 which are mentioned in the Schedule to this Order shall subject to the necessary modifications apply to the borrowing powers conferred by this article as if those provisions were set out in this article and in terms made applicable thereto:

Provided that in the application of section 50 of the Act of 1900 that section shall have effect as if the words "three pounds " ten shillings per centum per annum or at such other rate as " the Minister of Health may from time to time approve " were inserted in paragraph (b) of subsection (2) of that section instead of the words " three pounds per centum per annum."

(4) Nothing in this article shall affect the operation of section 108 of the Act of 1913 which empowers the Corporation to use one form of mortgage for all purposes.

Inquiries and  
expenses.

13.—(1) The Minister may direct any inquiries to be held by his inspectors which he may deem necessary with reference to the purposes of this Order and such inspectors shall for the purposes of any inquiry have all such powers as they have for the purpose of inquiries directed by the Minister under the Public Health Act 1875.

(2) Where the Minister causes any such inquiry to be held the costs incurred by the Minister in relation to that inquiry (including such sum not exceeding five guineas a day as the

Minister may determine for the services of any inspector or officer of the Minister engaged in the inquiry) shall be paid by the Corporation and the Minister may certify the amount of the costs so incurred and any sum so certified and directed by the Minister to be paid by the Corporation shall be a debt due to the Crown from the Corporation.
